Quad-City Buying In 1960 Exceeds \$79 Million Mark

Record buying of \$79,278,194 occurred here in 1960, records of the Illinois Department of Revenue disclosed today. This represents an increase of 35% over the 1959 total of \$58,679,800, much of it reflecting increased purchasing by wholesalers and manufacturers.

A breakdown of the past year's Quad-City buying shows \$29,309,249 in the wholesalers-manufacturers category, \$19,082,130 food, \$7,049,675 automotive, \$5,949,749 at drinking and eating places, \$4,027,677 general merchandise, \$3,804,770 at filling stations, \$2,655,163 apparel, \$2,647,286 hardware, lumber and building supplies, \$2,117,350 furniture, household goods and radios and \$2,942,181 all other buying.

Listed are \$68,154,771 purchasing at retail stores, by 479 Granite City stores and companies, \$8,167,798 at 153 Madison businesses, \$2,860,260 at 80 service firms and \$565,366 at 11 Mitchell establishments.

The \$79,278,194 figure compares with \$81,493,435 in the 12-month period ending June 1960.

Half Million In Last Half

Half-year buying totals for the Quad-Cities have been \$32,761,447 in July-December 1959, \$23,215,164 in January-June

1957, \$32,766,345 in July-December 1958, \$25,002,449 in January-June 1959, \$27,183,832 in July-December 1958, \$27,466,306 in the first half of 1959, \$31,215,494 in the last half of 1959, \$30,279,941 in the first six months of 1960 and a record \$48,998,253 in the last half of 1960.

A listing of 1960 buying by cities follows:

Granite City — \$3,300,324 general, \$14,786,102 food, \$3,728,753 drinking and eating, \$2,594,101 apparel, \$1,715,008 furniture, \$1,729,419 hardware, \$86,538,778 automotive, \$2,907,766 stations, \$29,564,519 manufacturers and \$2,289,998 other.

Madison, Venie, Mitchell — \$685,902 general, \$3,130,378 food, \$1,356,774 drinking and eating, \$60,988 apparel, \$254,457 furniture, \$817,783 hardware, \$110,945 automotive, \$425,580 stations, \$623,957 manufacturers and \$68,080 other.

Venue — \$43,450 general, \$1,139,851 food, \$435,900 drinking and eating, \$73 apparel, \$47,884 furniture, \$61,087 hardware, \$125,654 automotive, \$349,786 stations, \$118,487 manufacturers and \$47,135 other.

Mitchell — \$25,798 food, \$101,223 drinking and eating, \$39,028 hardware, \$274,296 automotive, \$123,637 stations and \$1283 manufacturers.

Jelf Renamed President Of Police Social Club

Assistant Police Chief Floyd Jelf was elected Monday evening to his fifth consecutive term as president of the Granite City police department's Social Club.

Election to the Social Club presidency also designates Assistant Chief Jelf as president of Granite City Unit 15 of the Illinois Police Benevolent and Protective Association.

Also named to a Social Club office was Records Clerk Raymond (Mike) Ridge, secretary-treasurer.

Motorist In Accident Faces Traffic Charge

A charge of careless driving was placed against James E. Jackson, 61, of 2419 Missouri avenue, who was involved in a two-car accident Tuesday afternoon at 20th street and Madison avenue. He was freed on \$11 cash bail.

Police said Jackson was traveling west on 20th street and was attempting to pass the westbound auto of Earl S. Kiphardt, 77, of 1932 Russell street, who was making a left turn. No injuries were listed. There was damage to the left side of Kiphardt's auto and to the right front of Jackson's car, the report showed.

Divorce Decree Final

A final decree has been filed in City Court for a divorce granted last week by Judge Fred P. Schuman, the office of the clerk of the City Court said today. Betty Lou Smith, charging cruelty, was divorced from Donald Lee Smith. The couple married on Nov. 1, 1958. No separation date was listed, and there are no children. The plaintiff's maiden name of Jones was restored by the court.

2 Charges Filed Against Motorist In Crash

Charges of following too closely and operating a motor vehicle without a driver's license were placed against Howard Joseph Thaler, 31, of St. Louis, following an accident yesterday evening in the 1400 block of Madison avenue. He was later released on \$27 cash bail.

Granite City police said Thaler was driving south on Madison avenue and crashed into the rear of the southbound auto of Charlotte B. Jerencovic, 46, of 1419 Madison avenue, who was making a right turn into the driveway at her home.

H&R Furniture Co. To Open Bellemore Store On May 29

H&R Furniture Co. will open its new store in the Bellemore Village shopping center annex on Monday, May 29, keeping its present store at 1918 Delmar avenue open through Saturday, May 27, it was announced today.

The new location, at 3210 Nameoki road, will feature all new merchandise, with several new lines of bedroom and living room furniture being added.

Work On New Shopping Center Here Underway

First phase of construction on a new seven-unit shopping center in Granite City is underway along Nameoki road near Kirkpatrick Homes, with first occupancy slated within 60 days, it was announced this week.

First tenant will be the Laundry Center, a coin-operated laundry and dry cleaning establishment. The business will be housed in a 55x50-foot space. Construction of six other units will follow, to be completed by late August.

The businesses will all be contained in one structure, whose dimensions will be 155x110 feet. A total of 10,000 square feet of parking space is to be provided.

According to Gitchett-Kosta Realty Co., Leasing Agents, negotiations are in progress to fill the Plaza Shopping Center's six units, consisting of space with dimensions of one 70x50, three 20x40 and two 18x40 units.

Location of the shopping center is at East 25th street and Nameoki road, across from Kirkpatrick Homes.

The building will be of concrete block construction, with a brick front and will be one story high. Air conditioning is optional to the tenant.

The shopping development, undertaken by The Bernardine Realty Co., will necessitate the removal of a vacant home which stands in the area to be made into a parking lot.

Peter Markuly, president of the realty firm, said the general contractor is W. H. Wolfe Co., and Markuly Plumbing and Heating Co., Inc. is subcontractor.

He said the shopping center is being designed for possible expansion.

GC HS May 1941 Class To Hold Reunion At Depot

The Granite City high school graduating class of May 1941 set its 20-year reunion for June 17 at the Engineer Depot at a meeting Tuesday evening held at the High School.

Newell Darnier, chairman of the reunion, said May 20 will be the deadline for accepting reservations for the reunion. A "get-reacquainted hour" is planned, with dinner, dancing prizes and favors.

All reservations are to be sent to Mrs. Wilma Parmley, secretary and treasurer of the reunion. Questionnaires were sent to all members who could be located, and the information obtained from them will be used by Mrs. John Gordon to write a history of the past 20 years of the class members' lives. Answers have come in from all parts of the country, and many plan to attend.

Those at the meeting included Mrs. Parmley, Mrs. Lillian Crnkovich, Earl Tucker, Jerry Duncan, Mrs. June Drew, Mrs. Wilma Russell, Mrs. Angeline Hagopian, Mrs. Lillian Ferratto, Al Hoelter, Mrs. Evelyn Gloski, Mrs. Loreta McDaniel, Mrs. Catherine Hülmer, James Hasty and Mrs. Vyvienne Durbin. Darnier set the final meeting for May 22 at 8 p.m. at the school.

Dr. Stanley Maer New Optimist President

Dr. Stanley Maer, Granite City optometrist, was elected president of the Twilight Optimist Club at a meeting Monday at the Engineer Depot Officers' Club. He succeeds Charles Meyer.

Others elected included Arthur "Peter" Metcalf, first vice-president and Arthur Conary, second vice-president. Board of directors included were Dwight Taylor, Robert Spengler, Roland Zimmer and Albert Catzera.

Gerald Rosenburg was reappointed secretary-treasurer and Barry Loman was chosen as sergeant-at-arms.

Following the election, Richard Reber, of Morris Realty Co., and chairman of a tax study group of the Granite City Real Estate Board, spoke on the board's attempt to bring about uniformity in property assessment.

He pointed out that real estate assessments rates vary from 60% to 27% in eight Madison county townships and cited the need for taxing persons on ability to pay rather than on location of property.

He said the board has found that 60% of true value of property is the most equitable rate. Guests who attended the meeting included Louis Causey, plant manager of Nestle Co., Inc., and James Fischer and Cestelino George of the finance department at the Engineer Depot.

GC Speed Timer Nets Five Arrests Tuesday

Operation of the city's electric speed timer resulted in five motorists being charged with speeding on Felling road Tuesday.

The charges were placed against Guy W. Stuart, 48, of 2549 Center street; Von R. Rummel, 34, of 4119 Melrose avenue; Charles Gerber, 26, of 3232 Roger avenue; Tremma M. Kelly, 62, of the Overcrest Trailer court; and Kenneth Crick, 22, of 3809 Kirkpatrick Homes.

Tuesday evening, police placed arrest tickets on two cars parked on the wrong side of streets. The cars were in the 2500 block of Adams street and the 2600 block of Center street.

Henry Compton Passes Away At Age of 81

Henry Compton, 81, of 2034 Dewey avenue died at 9:35 p.m. Tuesday at St. Elizabeth Hospital, where he was a patient since October. He had been in ill health for eight months.

Born in Polotsi, Mo., he was a Granite City resident for 40 years and was a retired laborer at the Granite City Engineer Depot.

Supervisor Harry Briggs and Highway Commissioner Charles Hanks have done all they can to alleviate the situation, and plans are being made to result in a request to the East Side Levee Sanitary District for installation of a drainage tile from the Central line-division street area to Long Lake.

In the Heintzville area, foundations of several homes were threatened with collapse with the surge of water from the city fields. Alderman Mrs. Gabrielle Belnead, aided by the street department, obtained sandbags from the local levee district garage and a retaining wall was built.

Sandbags also were distributed to householders on Melrose avenue and along Waverly road, where the problem was most critical in the 4200 block.

Street Supt. Warfield said he has a supply of sandbags which he is keeping at the city garage for emergencies.

"We've got a supply of sand and sandbags, and those that were filled and discarded can be reused," Warfield said.

FAMILY LEAVES HOME
In the Melrose area, one family with a small child was given temporary shelter in a neighbor's home after water seeped out of a floor furnace. Residents of the area were forced to park their cars over a block away and walk through water. Many refused to send their children through the water to the school.

Street Supt. Warfield said other most critical locations on Sunday and Monday were along the Nankemok drive in North Granite. East 20th street, 23rd street and Cleveland blvd., 23rd and Adams streets, West Pontoon road, and 12th street and Granite avenue.

Baricades at each location, and street men worked both Sunday and Monday to open catchbasins, manholes and drainage ditches.

"They didn't have to remove the manhole cover at East 23rd and August streets. Water forced it off Sunday and the area was barricaded. Warfield said it was one day of hope. The city's installation of a manhole and new catchbasins at 23rd street and Madison avenue has corrected the flooding situation there.

PROBLEMS AT PARKS
Wilson Park was inundated and called upon the Granite City Civil Defense Commission for assistance. Park Supt. O. H. Williams said he spent all Sunday night moving equipment from the park garage to high places and by Monday morning there was five inches of water in the building. He estimated other depths at two feet in the sunken garden, and nearly a foot in the area surrounding the park office.

The civil defense office was besieged with requests for sandbags, and after at least one of the Fifth Army headquarters in vain, located some at the local Levee District garage.

The CD's 400 gpm pump, a 1940 piece of equipment, was acquired at a surplus sale for \$200, was put into use to ease conditions at Wilson Park, and Park and Anderson spending all day Monday pumping water from the low area into the 48-inch line along Fehling road.

Along Fehling road, the park area has been designed for drainage to the ice rink which is located only a short distance from the Fehling road drainage line.

From Wilson Park, the pump was moved Tuesday to drain the park area behind the Nankemok road fire station where at some points the water was four to five feet deep. Supt. Williams said about 20% of the 7½-Tri-City Park playground was under 2½ feet of water. He added that the age on ball diamonds in Wilson Park was adequate and there was no appreciable damage.

SOME AREAS STILL FLOODED
While most of the surface water has receded, several areas remain inundated today—including the Division street and Breckenridge lane section of Pontoon Beach. Nankemok Highway Commissioner Hanks said today it is receding slowly and his crews are working to clear the ditches and drainage lines open.

With the 7.79 inches of rain recorded for five days, starting last Friday morning and through Tuesday morning, the gauge at the Chain of Rocks canal locks is read at 8.4 m. daily, total precipitation for the year stands at 19.23 inches, or 7.14 inches above normal for this time of year.

Gauge readings for the week-end included .77 inch on Friday morning, 1.25 inch on Saturday morning, 1.15 inch on Sunday morning, 3.07 inches on Monday morning and 1.53 inch on Tuesday morning. No rainfall was recorded yesterday morning or this morning.

8th Grade
To Be Added

(Continued from Page 1)

and Spengler questioned whether equal facilities could be offered to students.

Dr. Kaiser told the board, "The best center includes seventh, eighth and ninth grades. The next best is seventh and eighth. The poorest is to have all one grade in a building."

He added that he opposes placing all three grades in Central because it does not have the same facilities as the Coolidge and Prather schools for varsity football, other athletics and such classrooms as science laboratories. "We don't have varsity athletics in the seventh and eighth grades," he commented, saying that the emphasis at this grade level should be on intramural sports, with all students given a chance to participate.

Worthen contended that it would be easier for younger students than older students to adjust to moving from one junior high to another, saying, "Since we've got the eighth grade out of there I would have to see it lay back the myself." Central formerly had all seventh and eighth graders in the school system.

Dr. Kaiser said it is theoretically possible to remove some of the seventh graders from Prather and Coolidge and reassign them to Central, but that Central is not large enough for all of the district's seventh grade. As it was used through the spring of 1960, he said, there would be a surplus of 272 children.

"If you go out and take more seventh graders but don't take all, you would be throwing the balance of those schools off. You would be spreading out the attendance centers, and some who walk to junior high now would have to be transported," the superintendent said.

Worthen said the eighth graders would have to be transported to Central.

Dr. Kaiser said, "It will this could be solved with arithmetic, but at each school they need every child assigned in order to give the course offerings and programming. The Prather and Coolidge buildings were designed for the seventh, eighth and ninth grades. We are living up to the recommendations from the state now for the first time."

SCHOOLS OVERCROWDED
The problem is that we have schools with 10,000 pupil capacity and about 12,000 coming in. We took the seventh, eighth and ninth grades out of the school, and the new centers. This is our best educational thinking. The seventh, eighth and ninth grades are the next best, and the seventh grade alone is the poorest."

Worthen pointed out that there are only "seventh graders" at Central this year. Spengler said that the 1960-61 school year would have 12,000 pupils in the seventh grade in the fall.

Dr. Kaiser reviewed the proposed distribution of grade school zones among the junior high schools and said that the district does not have enough schools for what he would like to see—a full adoption of the "6-3-3" plan in which all junior highs have the seventh, eighth and ninth grades.

He said present seventh graders "seem well adjusted" at Central and can be retained there for the eighth grade.

PURPOSE OF ATHLETICS
Spengler said eighth grade teams have been playing teams from outside the district, and the superintendent said the purpose at this age level should be "physical development, not to play competitive athletics. He added that the eighth grade program is really not varsity athletics," and remarked that the youngsters are not mature enough physically. He supported an emphasis on "getting as many boys out as possible, rather than just a few stars."

"Yes, but the boys who go to Prather and Coolidge have opportunities in all your athletics that boys in the seventh and eighth grade at Central do not have," the board president said. Dr. Kaiser told him, "We talked about the board before submitting the recommendation."

"Regardless of athletics, I can't see why the children would adjust better," Worthen said, being told by Dr. Kaiser that the transition between schools would be easier "at age 15 than when 12 years old."

NINTH GRADE "OUTCAST"
"I don't know. I don't agree with that," Worthen said, and he said for one year the transfer to Prather or Coolidge would be "outcasts coming from one year."

Dr. Kaiser cited state recommendations on junior high education, and Worthen maintained that if a single transfer in a school is necessary it should be the seventh rather than the ninth grade.

Retention of present seventh graders at Central another year could bring complaints from "600 parents and 313 kids," Spengler said, adding that they were told

Wednesday At YMCA

Luncheon Climaxes 'Youth And Government' Program

Without responsible youth, no community can find much hope for the future, John McBride, president and general manager of Union Star and Refining Co., told persons attending the YMCA's annual Youth and Government luncheon yesterday at the "Y."

The luncheon climaxed seven months of investigation and study of Illinois government procedures by local YMCA members who participated in the Youth Legislature sessions in Springfield on April 28-29.

Its purpose was to acquaint members of the community with the program being carried on by the YMCA in an effort to make teenagers more aware of the functions and mechanics of government.

In attendance were local delegates to the Youth Legislature, including Governor Warren Nash, and local business and women who acted as hosts.

McBride referred to "Careville" in his remarks, stating that the youth of today exist physically, but mentally and spiritually is a spot where the inhabitants care enough to help and support public servants who are honest and not because the office seeker may benefit the voter personally.

Righteous indignation when it is lay back the myself. Central formerly had all seventh and eighth graders in the school system.

Dr. Kaiser said it is theoretically possible to remove some of the seventh graders from Prather and Coolidge and reassign them to Central, but that Central is not large enough for all of the district's seventh grade. As it was used through the spring of 1960, he said, there would be a surplus of 272 children.

General Steel Honors 119 At 25-Year Club Banquet

Prospect of a return to a five-day week at the local General Steel Industries, Inc. plant should expected business materialize was announced by President Charles P. Whitehead during the firm's annual 25-Year Club banquet Tuesday attended by 250 persons.

Whitehead also explained the recent change in name from General Steel Castings Corp. to General Steel Industries, Inc. since the firm has acquired other plants and is no longer exclusively a castings company. Outlining the firm's activities the president said GSI has never been in better condition financially and it is hoped the growth would continue.

119 Are Honored

The GSI 25-Year Club's fourth banquet was held at the St. Louis Hilton hotel, St. Louis to honor 86 persons completing 25 years of service this year and 33 others completing 30 years. It was pointed out that well over 25% of the employees have 25 or more years service.

During the evening an orchestra provided background music and there were several selections by the St. Louis Municipal Opera Quartet. Ennio M. Lamm, manager of industrial relations, was master of ceremonies. Presentation of 25-year watches and certificates was made by Whitehead, and 30-year gold and diamond lapel pins were presented to 30-year employees by Vice-President Luther A. Kleber, who is in charge of manufacturing.

Two Youngsters Undergo Lavages After Eating Pills

Kathy Lee, three-year-old daughter of Mr. and Mrs. Joseph Lee, Rural Route One, accidentally swallowed 40 thyroid tablets at home yesterday, but suffered only minor ill effects after undergoing a stomach lavage at St. Elizabeth's hospital about 9 a.m. yesterday, her mother told the Press-Record.

Little Kathy was released after treatment.

Dennis Hill, two-year-old son of Mr. and Mrs. William Hill, 2327 Madison avenue, swallowed 15 adult aspirin tablets and also received a stomach lavage. He was treated at 10 a.m. yesterday.

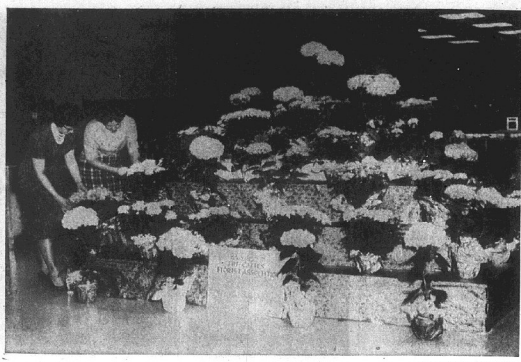

In other Wednesday emergency cases, James Parker, 13, of 4845 Warnock avenue, sustained a deep cut on his head when he was struck with a rock thrown by a playmate. Nine stitches were taken at 7:30 p.m. and he was released.

Donna Mouser, nine-year-old daughter of Mr. and Mrs. Birdwell Mouser, 2822 Enzette street, fell injuring her left arm. A splint was applied after x-rays at 12:30 p.m.

Elaine Harper, four-year-old daughter of Mr. and Mrs. Ralph Harper, 1703 Bremen avenue, was bitten on the right side of his face by a dog and received an inoculation and bandage at 3 p.m. There were no puncture wounds, but she sustained abrasions.

Continued Breckenridge Flooding Reported Today

Residents of Breckenridge lane and Division street reported today that clogged drains beneath roads in the area are contributing to continued flooding of yards and several homes. They reported that families living nearby were able to remove debris partially from one pipe with the aid of a plastic line. The drains lead toward Long Lake. Names of township officials reporting their crews have been working in that neighborhood to ease the flooding problem. They say additional drainage facilities will be necessary to solve it.

Board Divided On Contract Negotiations, Special Work

The relationship of school labor leaders with the Granite City board—which has had increasing influence in recent board elections—emerged as at least a partial factor in two of the items of business transacted by the board Tuesday night.

Result was a 4-3 vote to approve special pupil evaluation work performed by Guy M. Lahr Jr., a vice-president of the American Federation of Teachers; and a 7-0 vote to approve a revised motion on contract negotiations with Building Service Employees Local 98, which represents Granite City school custodians and cafeteria employees. Lahr was president of the local teachers' union for two years until this spring.

The two labor groups were among those active in the election of Ralph Fricker and George Stidham as board members last month and also have taken an interest in previous elections. Fricker and Stidham then joined Robert Spengler and Monroe Worthen in electing Spengler as president, unseating Homer Huber in a 4-3 vote April 11. Huber, George Eubanks and Herbert Bischoff supported Huber.

The vote on Lahr's work ended in the same division. President Spengler, Worthen, Fricker and Stidham voted favorably and Secretary Eubanks, Huber and Bischoff opposing it. Injured in an auto accident March 9, Lahr needed seven days' work to qualify for a disability pension in the event he is unable to resume teaching next fall.

45 Pages In Seven Days

Huber resumed a discussion of the proposal after the board members inspected Lahr's report. A typed, 45-page analysis of each student in his sixth grade class at Webster school, combined with the pupils' questionnaire answers.

Spengler opposed a continuation of the topic, saying it had been thoroughly discussed two weeks ago, when it was voted 4-2 to approve the plan providing satisfactory completion of seven days' work was submitted to the board. Spengler called attention to the lateness of the hour—about 1 a.m.—and made a concession avoided up to that point. He said, "The purpose of this report is to qualify the man" for the disability pay.

Earlier, Spengler had suggested that no further board action was necessary but Eubanks, who had made the motion last month, said the board should act on whether the work done was equal to 35 hours of work—seven days at five hours a day.

Urges Uniform Policy

Huber urged that a uniform policy be established for such

Fishermen's Guide

(Compiled by the Southern Illinois University Information Service from Area Reports)

Bass and crappie fishermen having a ball, and bluegill and catfish anglers coming home with empty stringers—that's the picture of Southern Illinois and the experts tell us conditions are generally excellent.

At Little Grassy, Julius Swayne at the boat dock calls the period "the best one-week period we've had in a couple of years."

The water there is clearing, but slightly murky, temperature 58-degrees at the surface. Blue gill, small sizes, are hitting flies on the surface and worms down deeper. Small to fair size crappie have moved into the shallows, but anglers for them are few. The harvest of bass, however, is excellent, with most of them being taken on helicopters along the shoreline, although fishing is so good almost any bait has worked.

There were a total of 108 bass registered recently. Four of more than seven pounds each were nabbed by Curt Smith of Belleville; Andy Kametta landed two big ones, 7 1/2 and 7 1/4, and Gene Vest took a seven and a half-pounder on surface bait.

A lengthy board discussion, and Spengler said that the board can enter such contract talks at any time it would decide to do so. As approved, the motion calls for Supt. Harold M. Kaiser and his staff to ask for the contract requests, negotiate and inform the board of progress made. Stidham said the board may wish to submit proposals for contract revisions as well as receiving revision requests from the labor groups.

Deadlock Issue

Fricker's initial motion called for negotiation with the board in the event of a deadlock with Local 98. This was deleted after

Thurmer's Stops GC In Class AA Loop, 4-0

Thurmer's Bar of St. Louis grabbed an early lead in the Class AA Softball league at Fox Park in St. Louis last night by handing Granite City a 4-0 setback.

Thurmer's 2-0, got a three-hit mound performance from left-hander Ed Bonchek, while Granite City starter Joe Phillips was raked for 11 hits, including a second-inning home run by Jim Furrer. Phillips was making his first appearance for GC, which is now 1-1 in the league.

In the evening's second game, SECO of St. Louis edged the Jackson Falls of Alton by a 3-2 count. SECO is Granite City's next league opponent Wednesday night at Fox Park.

The three hits Granite City managed were all singles, one each by Don Dillard, Babe Champion and Jim Bain. The locals threatened to break Bonchek's shutout on two occasions, but both threats came with two outs.

Thurmer's Catcher Furrer accounted for the winner's first run with his solo homer in the second. The St. Louis entry added a single marker in the third and two insurance runs in the fifth, all charged against Phillips.

Bonchek fanned eight and walked only one in a sparkling performance. Phillips got two on strikes and did not issue a walk. Leo Six relieved for GC in the seventh after Phillips was lifted for a pinch-hitter. One error was charged against each ballclub.

Little League Season Will Open Saturday With Parade, Ceremonies

The Nameoki Little League will inaugurate another baseball season for its major and minor league teams Saturday afternoon with a parade in the Nameoki area and opening ceremonies at the Little League diamond, to be followed by the first regular league game of the year.

The 12 teams in the league will gather to form the body of the parade at Maryland Real Estate, 2168 Ponton road, at 1 p.m. Saturday.

The parade, scheduled to get underway at 1:15, will travel down Ponton to Amos avenue, over Amos to Johnson road, over Johnson to Franklin avenue, and from Franklin to the league diamond at Amos and Johnson roads.

After the teams are drawn up in formation on the diamond, the program will be conducted by Walter Spieckard, master of ceremonies. Among those expected to be present are League President Don Nelson, Mayor Davis, Park Board President Barry Luman, several park district commissioners and Rev. Alfred Bula, who will deliver the invocation.

The parade will be led by members of the defending champion major league club, the Little League Shavers, who were sponsored by the Daves Barber Shop and managed by Frank Carrow.

During the opening ceremonies, sponsor Emerald Daves will be presented with the championship trophy won by the Shavers in 1960.

The opening ceremonies for the minor and major divisions will be combined this year for the first time since the league was organized. The two divisions also will use the Amos avenue-Johnson road field for all games this year.

The Nameoki loop was scheduled to open its season last Monday, but all games were rained out. A regular league game, probably in the major division, will follow Saturday's ceremony, Jackson said.

MHS Divides Net Matches With Bethalto, Mascoutah

Madison high school's all-sports team is scheduled to play against Mascoutah and Bethalto this week, losing to Mascoutah 0-5 on Tuesday but rebounding to defeat Bethalto yesterday afternoon, 5-0. All the action took place on the MHS courts.

Bob Barnhart's newly-organized squad will close its abbreviated season this afternoon when the Trojans pay a visit to Roxana. The MHS club has a 2-1 record.

Tuesday's results:

- No. 1 singles — Barry Borman (MHS) defeated John Summers (M) 6-4, 6-1.
- No. 2 singles — Bill Reeves (MHS) defeated Larry Lux (M) 7-5, 6-3.
- No. 3 singles — Don Lawrence (MHS) defeated Don Broyles (M) 6-0, 6-1.
- No. 1 doubles — Farrar and McCarty (MHS) defeated John O'Neil and Ralph Rideout (M) 6-4, 6-1.
- No. 2 doubles — Borman and Reeves (MHS) defeated Mike Moss and Jim Harrison (M) 6-0, 6-1.

Yesterday's results:

- No. 1 singles — Summers (M) defeated Bill Nix (B) 6-0, 6-3.
- No. 2 singles — Broyles (M) defeated Don Sullivan (B) 6-2, 6-0.
- No. 3 singles — O'Neil (M) defeated James Wik (B) 6-0, 6-3.
- No. 1 doubles — Lux and Rideout (M) defeated John Johns and Craig Pace (B) 6-2, 6-2.
- No. 2 doubles — Moss and Harrison (M) defeated Dennis Berry and John Wilfong (B) 6-2, 6-2.

Jr. Legion Schedules 8 Contests

Tri-City American Legion Post 113's Junior American Legion baseball club, again sponsored by the Mathews Chevrolet Co., will open its season on June 14 with a contest in Edwardsville against that city's district entry, Manager Joe Summers said today.

Mathews will play a total of eight district games, including home-and-home contests with Edwardsville, Alton, Collinsville and East Alton, the teams which make up one division of the district.

Entries in the other division are Mascoutah, Centerville, East St. Louis and Belleville. The local club will play four games on its home diamond at Wilson Park, with Collinsville the first home opponent on June 16.

Summers and Post 113's coaching staff, Bill Martin and John Cronkright, plan to hold initial team workouts as soon as local high schools dismiss for the summer vacation. The bulk of the material they will work with will come from the Granite and Madison high school baseball teams.

Saturday Meet GC Judo Club In

Twenty members of the Granite City Judo club will compete in an Ozark AAU meet beginning at 7 p.m. Saturday in the St. Louis University gymnasium, according to one of the club's directors, Bob Whelan. St. Louis U. will host the meet.

Entries are expected from the host school, Alton, Peoria, the Brentwood YMCA, St. Louis Judo Institute and McDonnell Aircraft Corp. Competition will be held in the white, brown and black belt divisions for men only, with trophies going to the division winners and a meet trophy to the group entry with the most team points.

Flyers Stop GCHS Cinder Squad, 95-23

Granite City high school's short-handed track and field squad, with a few trying to do the job usually delegated to many, was over-powered at Parsons Field in East St. Louis Tuesday afternoon by a Flyers squad with three times the number of GCHS participants, 95-23.

The Flyers grabbed off first places in 10 of the 14 events, shared the No. 1 position in an 11th, and in most instances used their second-line runners and field events participants.

It was the fifth straight dual meet loss this season for GCHS track coach Ross Rosenbalm's small group of athletes making up the Warriors squad. GCHS has been estimated to have lost for track, and East St. Louis nearly 100 candidates.

Winning times and distances in the meet were far from being eyebrow raisers, and only Granite City's Harry Thompson won the high jump event with a 5-10 leap, performed on a standard which would measure up to qualifications for the state meet.

Distance Victories

The Warriors dominated the distance events, with Mike Vasiloff winning the 880-yard run, and Dan Lapinski taking the mile run. Neither was pushed. Granite City's fourth first-place was John Grobowski's tie for the top spot in the pole vault with Phil O'Dell of East St. Louis. Both cleared 10-0.

The Flyers' Bob Johnson was the meet pace-setter, winning both the low and high hurdles and the broad jump.

Granite City's remaining points were picked up by Larry Whitsett, third in the 400; Jim Richee, third in the mile run; Tal Hillman, third in the 1200 yard high hurdles; and Bob Schroeder, third in the discus.

Belleville captured a simultaneous junior varsity meet with 79 points. East St. Louis totaled 50 and Granite City 12, five of them on Tom Vasiloff's winning 56.6 quarter-mile.

The results:

- 100-yard dash — Hanks (ESL) 15.8; 200-yard dash — Hanks (ESL) 35.8; 880-yard dash — Vasiloff (GC) 2:10.0; mile run — Lapinski (GC) 4:37.4; 880-yard relay — East St. Louis 1:36.5; mile relay — East St. Louis 3:43.7.
- 120-yard high hurdles — Johnson (ESL) 1:16.5; 180-yard low hurdles — Johnson (ESL) 2:08.5; high jump — Thurau (GC) 5-10; broad jump — Johnson (ESL) 19-9.5; pole vault — Grobowski (GC) and O'Dell (ESL) 11-0; discus — Giles (ESL) 122-5; shot put — Jones (ESL) 44-10.

Games At Collinsville

Collinsville and Fred Riddle abruptly ended Granite City's aspirations for a high school district baseball title yesterday afternoon on the Kahoks' home field, 2-1.

Riddle pitched the entire 10 innings of a tense and well-played contest which was postponed from Monday due to rains, and the Kahoks thus earned a shot at Madison this afternoon to determine which team will advance to the IHSAA regional tournament at Belleville next Monday.

The Trojans and Kahoks will meet at 4 p.m. today in Collinsville, with Dan Tynes the starting pitcher named by Earl McClanahan and Terry Bob the probable starter for Collinsville.

Final In Edwardsville

Granite City, now 12-5, will close its season tomorrow in Edwardsville with a Southwestern conference game which will have no bearing on the final SWC title on a 9-3 mark was upset in the district contest yesterday on the team's home diamond. Assumption was the culprit in a 10-inning, 4-2 verdict.

First Alton Victory

At the Wood River district title the Ollers topped Marquette 3-1. The lowly Alton Redhubs, who had not won a game in 14 tries this season, bounced Western Military 4-1 in the 4000 ft. Alton and Wood River district title this afternoon.

Roxana, the Midwestern conference champion, eliminated Edwardsville 2-0 at the Bethalto district tournament.

Yesterday's Warrior-Kahok battle was a scoreless dual for four innings. Granite City picked up a single run in the top of the fifth when Pat Schumann led off with a triple and rode home one out later on Larry Corey's sacrifice fly.

Grant Takamajan, who started for the Redmen, left the mound after 4½ innings with a sore arm, and Collinsville tied the score off Joe Holder in the bottom of the seventh.

Holder gave up a single to Krieteneyer, moved from behind the plate to third base for the game, attempted a sacrifice bunt. Holder fielded the ball but threw into centerfield as he attempted to get the lead runner at second.

Riddle was safe on an error to load the bases and, after 8 p.m. Simpson had popped out, Floyd Laurenti drove in the tying run with a fielder's choice ground ball.

Sophomore Bill Liernan relieved Holder in the eighth and shut out the Kahoks until the fateful tenth. The Warriors didn't get to Riddle however.

Park Needs Umps For Youngsters' Baseball Program

A meeting of prospective umpires for games between the recent 32 teams which will play in the leagues this summer, scheduled at 7:30 p.m. tomorrow at the park district recreation office, according to Umpire-In-Chief Clifford McGovern.

Fifteen umpires are needed this summer, with an average of eight to work each evening from 6 o'clock until dusk on the park's diamonds. The baseball season opens on May 22, and a parade is scheduled the following Saturday, May 27.

Blank Prather, 5-0

Coolidge junior high school's tennis team shut out Prather JHS yesterday afternoon at the Granite City high school courts, 5-0, for the Braves' sixth victory in seven tries this spring. It was Prather's fifth consecutive loss.

The Chiefs will conclude their first season with Roxana at Wilson Park on May 18, while Coolidge has a makeup meet to play with Edwardsville.

The matches were washed out Monday and are to be rescheduled.

Wednesday's results:

- No. 1 singles — Drew Karandjef (C) defeated John Jaeger (P) 6-1, 6-0.
- No. 2 singles — Bob Veeas (C) defeated Ed Stull (P) 6-1, 6-1.
- No. 3 singles — Bob Veeas (C) defeated Larry Canada (P) 6-2, 6-1.
- No. 1 doubles — Paul Greve and Sonny Stark (C) defeated Don Skaggs and Art Burton (P) 6-2, 6-4.
- No. 2 doubles — Dennis Zerlan and Neil Wolf (C) defeated Bob Finley and Art Hansen (P) 6-1, 6-1.

Win With Two Out

Collinsville scored the winning run after two were out in the bottom of the tenth. Mel Meyers singled and stole second. Powers walked and, with the runners breaking left-handed hitting, Shortstop Shemoney looped a "dying swan" over third base which kicked up dust along the chalk foul line and loomed as the decisive hit in the box score as it drove Meyers home to end the game.

The Warriors managed six hits off Riddle, who fanned five and did not issue a walk. Dave Sparks and Schumann had two safe blows each, and Bob Hovek and Ken Cook one hit apiece.

GCHS Blanks Wood River; 2nd In SWC Net Standings

Dick Harmon's Granite City high school tennis squad rolled to a 5-0 victory over Wood River yesterday afternoon at Wilson Park, and secured second place in the Southwestern conference in the process. The Warriors induced regular league play with a 6-2 record. Edwardsville won the SWC race with a 7-1 mark.

With a 3-2 overall record, Harmon's crew will complete the season on May 17 in Roxana. The Warriors defeated the Shells 4-1 earlier this spring.

The Warriors also share the district tennis title with Edwardsville, and GCHS's No. 1 singles player, Bill Logan, is eligible to compete in the state high school meet at Champaign on May 19-20 by virtue of his title winning efforts in the district singles division.

Yesterday's results:

Sorority Installs New Officers; Plans LOWN

The home of Mrs. Dolores Dorch, 2301 Woodlawn avenue, was the place of meeting last night for Theta Theta Chapter of Beta Sigma Phi sorority.

In an impressive and traditional ceremony new officers for 1961-62 were installed before a candlelit table centered with an arrangement of yellow roses. Those taking office were Mrs. Leland Brackett, president; Mrs. Harvey Ebling, vice-president; Mrs. James Todd, recording secretary; Miss Alice Vig, corresponding secretary; Miss Marcella Fabisher, extensor; and Mrs. Marcella Harper, sponsor.

After the opening ritual by the group Mrs. Phillip Tsigaloroff conducted the business session. Numerous communications were read, among them one which received considerable interest.

It concerned plans for organizing a local group of the League of Women Voters.

Mrs. Jack Calve and Miss Fabisher announced plans for a mother-daughter party to be held Sunday afternoon, May 21, when the group will tour the Clinton at Shaw's Garden and later repair to the Rose Bowl for dinner.

The cultural program for the evening "The Printed Word" was arranged by Mrs. Calve and Mrs. Michael Lombardi. A one-act play "The Still Alarm" by George S. Kaufman, was presented with the principal parts played by Mrs. James Todd, Mrs. Brackett, Mrs. Tsigaloroff, Mrs. Marcella Harper, and Miss Ruth Stoyanoff.

The program was appropriate poems read by Mrs. Brand, Mrs. Tibbetts, Misses Fabisher and Vig.

The hostess served a dessert course after the meeting and presented a prize to Miss Fabisher.

Sorority Installs Officers During Annual Banquet

Officers for the ensuing year were installed at the annual mother-daughter party of Epsilon Eta Chapter of Epsilon Sigma Alpha sorority last night at the Rose Bowl.

They are Mrs. Judy Hinterer, president; Mrs. Harriet Humphreys, vice-president; Mrs. Marilyn Price, secretary; and Mrs. Janice Biello, treasurer. "Spring Fever" was the theme of the party and 37 members and guests were present, including two out-of-town guests, Mrs. Jane Haenninger, of Taylorville, southern district coordinator, who conducted the installation, and Mrs. Ralph Jones, president of Beta Epsilon Chapter of Taylorville.

The address of welcome was given by Miss Lucille Segedy, and Mrs. Rosalie Buente, first vice-president of the state organization, gave a history of ESA.

Fresh flowers in bud vases were presented to the mothers and other guests and three games for entertainment with prizes going to Mrs. Ralph Jones, Mrs. Estelle Monken, Mrs. Segedy, Mrs. E. Imina Trachsel and Mrs. Hilda Lombardi.

Officers Installed By Theta Theta Group Last Night

Theta Theta Chapter of Beta Sigma Phi sorority was entertained last night in the home of Mrs. Queenie Eiliff, 701 Iowa street, Madison.

An installation of officers was held and those taking office for 1961-62 were Virginia Johnson, president; Dorothy Cox, vice-president; Sadie Hagopian, recording secretary; Ella Ebling, treasurer; Evelyn Arbeiter, social chairman; and Mary Yevin, ways and means chairman.

Mrs. Yevin read the pledge ritual for three new pledges, Mary Mennerick, Martha Olson and Alice Soucier, and refreshments were served. The prize for the evening went to Mrs. Yevin.

Mrs. Dorothy Cox, 2323a Washington avenue, will be the May 24 hostess.

ATTEND CIVIL WAR CENTENNIAL PROGRAM
Mrs. Vivian Rowden, of 2905 Madison avenue, and Mrs. Les Surratt, 1226 Madison avenue, members of the Anna Tate Davis Tent 101, Daughters of Union Veterans of the Civil War, attended the re-dedication of the General Lyon statue in the Lyon Park, St. Louis, Wednesday afternoon. The services were conducted by the Memorial Association to the Union Veterans of the Civil War, 1861-1865, Inc.

Principal speaker was the Honorable A. J. Cervantes, president of the St. Louis board of aldermen. There were vocal numbers by Major August Ernst with selections by the United States Air Force Band from Scott Field.

Legion Unit 113 Members Hear District Report

A pot luck supper was served to approximately 30 members of the Auxiliary of Tri-City Post 113, American Legion, last night. The regular business meeting followed with the president, Mary Batson, in charge. A report was made of the 22nd District Past Presidents Parley dinner held in East St. Louis recently and a contribution was made to "The Haven" at Marion, Ill.

Mrs. Esther Harris and Mrs. Winifred Costello were named delegates to the 22nd District meeting in O'Fallon in June and plans were also discussed for a memorial service later this month.

Mrs. Ella McKittick and Mrs. Delores Penrod, hostesses, served refreshments to the group and prizes were won by Mrs. Cecilia Malott, Mrs. Ethel Petri, Mrs. Carmen Toth, Mrs. Joan Hillmer, Mrs. Loretta Goeller, Mrs. Lucille Cooper, Mrs. Abbie Fox and Mrs. McKittick.

Sacred Heart Mothers' Club Elects Officers

Officers for the coming season were elected at a meeting of Sacred Heart Mothers' Club held in the school basement last night. They are Mrs. Margaret Salitch, president; Mrs. Jackie Francis, vice-president; Mrs. Gladys White, secretary; Mrs. Doris Huff, the retiring president, called the meeting to order and plans were made by the club to attend the Russ David TV show May 31. The constitution and by-laws were read and the program for the coming year was voted on.

Approximately 75 attended the meeting, and prizes for the evening went to Mrs. Margaret Fecite and Mrs. Irma Marti.

Wainaina Cayova, often called the "Grand Canyon of the Pacific" on the island of Kauai, Hawaii.

Past Presidents Club Meets

The Past Presidents Club of the Eagles Auxiliary 1126 was held in the home of Mrs. Cora Hettich in Caseyville Monday evening.

Mrs. Elizabeth Novack, president, was in charge during the business hour and prizes for the evening went to Mrs. Ann Hordecky and Mrs. Novack.

Others present to whom refreshments were served were Mesdames Margaret Vrenick, Mary Korsog, Lida Schroeder, Margaret Johnson, and a guest, Mrs. Viola Carey.

The home of Mrs. Hordesky, 2977 Wayne avenue, will be the place of meeting June 13.

VFW Jr. Girls Auxiliary Plans Parade, Banquet

The Junior Girls Unit of the Veterans of Foreign Wars Auxiliary met Tuesday evening with 30 members present.

Mary Lou Phelps, president, was in charge and plans were made to assist the Post and Auxiliary on Poppy Days, May 26-27, to march in the Memorial Day parade; and to hold a mother-daughter banquet May 31.

The next social meeting May 23 will be devoted to making toys and favors to be sent to the orphanages and hospitals of veterans and their families. Refreshments were served by the hostesses of the unit after the meeting.

Madison Parking Arrests

Charges of parking on the wrong side of the street were filed by Madison police Tuesday against Clarence Boyd, 71 Groszner Homes, Joseph Young, Eagle Park Acres, and Thomas Farrar, 2635 Hemlock avenue, in arrests at the Grenzer Homes, Third street and Washington avenue. Each was released on bond to appear May 19.

Mudge Orders Check of Gambling Stamp Holders

Letters are going out to all Madison county police chiefs and mayors and the sheriff this week from State Atty. Dick H. Mudge Jr., advising them of the issuance of federal wagering stamps for coin-operated machines.

Mudge said he has received pledges from city and county officials for a continuing vigil to suppress gambling in the county and he has no reason to believe the policy has changed.

A routine check with the U. S. Internal Revenue Department at Springfield resulted in a list of 73 gambling stamp holders in Madison county, with most of them issued to distributors of pinball machines. The list included 14 in Granite City, six in Madison and four in Venice. Lists are being furnished to the police chiefs and mayors, Mudge said.

In the letter Mudge points

out that pinball machines are not necessarily gambling devices, but in some instances, wherever there are cash or prize payouts, then illegal gambling is in process and is to be suppressed.

Local police chiefs are in the process of checking the lists supplied to them by the state attorney and are to report their findings to him.

Farm Column

By TRUMAN W. MAY
Madison County Farm Adviser

Spring pasture growth is a couple of weeks or so behind schedule after the coldest April on record, but pasture plants are starting to grow faster now. Dairy and livestock farmers should be thinking about how they can get the best results from their pasture this year.

Try daily rotational grazing this spring and summer if you want to graze more cows on each acre of pasture.

A group of dairymen who used the daily strip system produced enough forage for four cows on the same number of acres as their neighbors did for three cows.

Here's how strip grazing works:

Divide the pasture into long strips that are wide enough to give the herd four to five days of grazing. Make sure each strip provides the cattle with shade and water.

Use cross wires to move the herd to new strips. Cows shouldn't back-graze for more than four or five days before being moved to new strips. Stock about 50 cows for each acre of fresh pasture daily.

If the cows have moved to a new area, clip off the old strip.

Dairymen report that it takes from one to two days to divide fields into strips in the spring and from 10 to 30 minutes each day to move the cross-wire to give the herd access to fresh forage.

The time required each day is determined for the most part by the distance from the barn to the pasture.

Another pasture problem is the method of blot in cattle. The reason for blot is here.

There is no sure-fire method of stopping blot in cattle, but careful management can certainly help to reduce losses. Here are some practices you can use to ward off blot problems in your herd:

Be sure your cattle are filled up with hay before pasturing them on legumes. It's also helpful to give cows access to hay after they are on pasture. They may not eat much, but this practice could help to save a cow.

Do not take cattle off legume pastures at night. University of Illinois studies indicate that cattle have less trouble with blot if they stay on pasture 24 hours a day.

Corn that are fed legumes in the form of green chop or silage are not immune to blot. You will need to watch these cows also, and be alert for trouble. Feeding antibiotics may or may not prove helpful in controlling blot. Digestive disturbances can occur if antibiotic levels are too high.

Corn planting is getting under way. Many farmers plant corn thicker, with the increased use of fertilizers. Many try to get a plant population of about 16,000 plants per acre. Here's a guide in planting to get such population: one kernel every 9 1/2 inches in 40-inch rows is equal to 16,000 kernels an acre. One every 8 1/2 inches equals 18,000.

With the conventional edge-drop corn planter plates, the overized kernels remain in the box. To prevent "misses," remove these kernels periodically by completely dumping the boxes.

Check the strike-off paws in your corn planter boxes since rust may cause them to stick. The seeding rate will be too high when the paws do not ride down on the plate and extra corn passes out in the cells. A broken spring can have the same effect.

When planting corn, select a higher seeding rate setting for the corn planter than the number of ears per acre you want at harvest. There is a normal drop of 10 to 15% due to germination, cultivation, insects, and barren stalks. If you plant at a high travel speed, the cells will not fill as completely as at a slower speed. For the higher speeds, use a plate with a longer cell and a higher seeding rate setting.

Many of the wheat fields lately affected with mosaic disease, very noticeable a few weeks ago, seem to have recovered almost completely. It is expected, however, that the disease was serious enough in some cases to reduce yields.

Mike Britton, extension entomologist, University of Illinois, was in the county last week. He looked at a number of fields and said the situation here is similar to most wheat-growing areas in the state. Very little mosaic is found in fields of the soft varieties, as they are much more resistant, almost immune. Hard wheats are susceptible to mosaic. Septoria leaf blotch, another disease, is rather common this year in both hard and soft wheats, and will reduce yields in some fields.

The fields with mosaic still show the effects of the disease. The soil-borne virus causing mosaic moves very slowly in the plant and with warmer weather the plant rapidly grows away from the diseased parts, giving the upper leaves a dark green healthy appearance, causing the

field to look normal from a distance. Close examination, however, shows the yellowish, mottled leaves at the base of the plant and rosetting or stunting in the case of green mosaic.

There are so many other adverse things that can happen to wheat between now and harvest time that it is rather useless to speculate on how much damage the mosaic disease has caused. Most fields now look good and with normal conditions we should have at least average yields.

It's just about too late to treat your lawn to keep crabgrass from sprouting, but if you do it right away, the crabgrass can be killed or the seed germinates.

A new preventer containing diazinon has proved almost 100% effective when used according to directions.

A new book of plans for pole buildings has been received at the farm adviser's office for the use of anyone interested in pole buildings. You can select plans from the book and order copies. Included are plans for pole buildings, calf barn, beef cattle barn, poultry laying house, summer house for laying hens, broiler house, hay storage and corn crib.

A sweet corn variety test was planted last week on the farm operated by Homer Bruns in Namoket township.

Hospital Continues Prenatal Classes

"What to do before and after the baby arrives" might be a good method of summing up the subjects discussed in prenatal classes which are being held regularly under the sponsorship of St. Elizabeth Hospital, which is observing National Hospital Week through Saturday.

A service offered free of charge to expectant mothers, the courses run six weeks, with class sessions being held once each week on Tuesday afternoons.

The courses are made available under the auspices of the hospital's maternity department. Sister Mary Camellus supervisor. Instructors are Mrs. R. E. Walters and Mrs. Dolores Stalcker, registered nurses.

This week's class was held at the demonstration kitchen, where Home Economist Miss Jo Leslie conducted a class in the selection of baby clothing and good laundry principles.

Hello,

During the past few weeks I have met literally hundreds of you. It was a real pleasure to serve you at TRI-WAY COIN OPERATED LAUNDRY AND CLEANING VILLAGE. I want every reader of the Press-Record to know how happy your coming in made me.

There are scores of you I have not yet met. I am so enthusiastic about inviting you to come in because I know how pleased you will be with our service. Can you imagine cleaning 8 pounds of your best clothes for \$1.50? Really it is the cleanest dry cleaning job you have ever seen.

I know you can not really believe how good it is by my telling you so. Bring a whole arm load this week and see for yourself. I'll be looking for you between 8 a.m. and 10 p.m. Monday through Saturday.

Your friend at Tri-Way,
FRAN WADLOW

P.S. O yes, I also want you to know we have NEW Norge laundry facilities. You can do your cleaning and family wash at one stop. Leave your husband's shirts, we will be happy to do them for you.

More Teachers, Courses, Rooms In GC Next Fall

Expansion of the Granite City school district facility for next fall is a certainty, and the number of new positions will be decided by the board at its May 23 meeting.

Enrollment and curriculum requirements were outlined Tuesday night by Supt. Harold M. Kaiser, with the board voting to add a total of nine teachers for the Maryville and Wilson grade schools, where ten new classrooms are being added, and to add two at Frohardt grade school, where two new rooms are being created by dividing the present dining room. One of the new teachers will divide time between Maryville and Wilson.

Two more teachers at Mitchell and one more at Nameo will be a possibility, depending on the September enrollment, proposed changes in attendance zone boundaries and the availability of rental facilities, Dr. Kaiser reported.

New GCHS, Central Jobs
Proposals for Granite City high school, where enrollment is expected to rise by 200, include a combination art and Spanish teacher, another business education teacher, another girls' physical education teacher, a second driver education teacher and another guidance counselor, the latter to meet stricter rules of the North Central Association of Colleges and Secondary Schools.

At Coolidge junior high school, where enrollment is expected to be reduced slightly, it is proposed to add a teacher of German.

Staffing of Central junior high to accommodate doubling of the present enrollment there may involve one or two more physical education teachers, an industrial arts teacher and a science teacher.

List May Be Trimmed
In proposing immediate action on only the Maryville, Wilson and Frohardt additions, Board Member Homer Huber called for a study of the other positions and reductions in the number of added jobs if possible. A tentative total of 33 or 34 had been listed. The second was by Herbert Blachoff, and the board vote was unanimous.

Reporting an anticipated 600 gain in enrollment to 11,800 in the fall, Dr. Kaiser said boundary changes may ease over-

Smoke, No Fire At Home

No damage was reported at a home at 1004 (near) Calhoun street, where Venice firemen were called at 9:16 p.m. Tuesday. A stovepipe had separated from a flue, sending smoke throughout the house, firemen said.

Southern Illinois University, will teach a block class at Central. Authorization was given for Ronald Glasgow, Central mathematics-science teacher, to represent the school district at the National Science Fair in Kansas City, Mo., tomorrow. Expenses of the trip are to be reimbursed.

Bills approved Tuesday night totaled \$868 for the educational fund, \$3114 for the building fund, \$73 new construction, \$1060 bonds and interest, \$12,442 transportation and \$23,951 for the lunch program.

Louis Hecht, 58, Former GC Resident, Succumbs

Louis J. Hecht, 58, Ferguson, Mo., a former Granite City resident, died at 11 a.m. yesterday at a St. Louis hospital, where he had been a patient for two months. He had been ill for a year.

Born in Franklin county, Mo., he lived in Granite City for 20 years before moving in 1936 to St. Louis. He was a bricklayer. Surviving are his wife, Ida; two sons, Kenneth of Ferguson and Harold Hecht of New York, N. Y.; a daughter, Mrs. Grant (Virginia) Braun, Ferguson; two brothers, Henry and Frank Hecht, both of Granite City; and seven grandchildren.

Funeral services will be held at 2 p.m. Saturday at a St. Louis funeral home, with burial at Zion Cemetery, St. Louis.

Annual Dinner of Red Cross Chapter June 8

Plans for the annual dinner meeting of the Tri-City Chapter, American Red Cross, at 6:30 p.m. June 8 at the First Presbyterian Church were made Tuesday at a meeting of the chapter. Officers and directors for the 1961-62 year will be elected at the meeting.

Mrs. Ruby Overbeck, executive secretary, reported tornado and flood assistance being given by the Red Cross nationally and in this region. Only affected area within the local district is a small section of State Park Place, she said.

The board voted to increase the chapter's revolving fund from \$1000 to \$1500. It was reported that Vice-Chairman Floyd Smith is attending the national Red Cross meeting this week. Chairman George Eubanks presided.

An April home service report showed 119 contacts, including 42 involving Engineer Dept personnel. Thirteen cases of financial assistance totaled \$1636. Other factors were eight information reports, six emergency leaves, four leave extensions, six health-welfare cases, one social history, five assists with government benefits, 37 counseling cases, 33 reports and 21 other contacts.

and orchards. They chanted the Psalms of David as they went. The 50th day after Passover was Pentecost. On this day God chose to pour out the Holy Spirit and let the church be born. Community Coach Continues Study of Unified System

Community Coach Co. officials here are continuing a study of the plan for unification of all mass transportation service in the Missouri-Illinois metropolitan area, proposed last week by the St. Louis Public Service Co.

George W. Stearns, president of the local bus firm, was out-of-town when the proposal was made and said copies of the lengthy survey report and recommendations were not received by his office until late last week.

"I've read through it and would say much study is necessary because of the many items and proposals covered."

"It's too early to make much comment, because the report has never been discussed in detail. It is likely that meetings of bus operators will be called to go into the matter," Stearns said.

The local transportation firm president said that after any proposals might be made by the St. Louis company, it would be necessary to call a meeting of stockholders.

"We're interested in providing service and that's our business. However, there are some good points brought out in the survey, while others need careful study and consideration," Stearns added.

One beneficial feature he pointed out is the proposed elimination of duplicate portions of routes in which buses must operate "closed doors." He explained that Belleville buses going to St. Louis must close their doors to all riders upon entering East St. Louis, which has its own privately-operated bus firm.

"The same thing applies to Community Coach after it crosses the McKinley Bridge. Actually there are seven buses crossing the bridges and one bus would be able to accommodate the riders."

"Six months were needed to prepare this report," he added, "and it will take some time to go into every detail in any study we might make on motion of it."

Stearns pointed out that many of the Illinois bus firms also are in the business of furnishing pupil transportation to school districts and the St. Louis firm's study makes no mention of it.

Charge Dismissed
Nathaniel George, 19, St. Louis, held for nine days by Venice police and questioned there and in Madison, was released Tuesday evening. Magistrate Wesley Edwards dismissed a burglary and larceny charge filed by the police.

Room For Expansion Needed
Where is the conflict? As a simple but classic illustration of the problem of a new industry is built, a whole community of housing springs up in the immediate vicinity. This is to be expected, and makes a handy arrangement for the workers, who may now leave home and be at their work in a very short time.

But, what happens when the industry needs to expand and wants to provide more jobs in the area? People are living where this expansion should take place. The value of the land as home sites has deteriorated due to the overness of the industry, and yet it is still impossible for the industry to buy the needed land for expansion.

The result? The industry may move part or all of its installation to a new location where the possibilities are better.

Law On Farm Land

another landowner in the same area uses his land to the detriment of his neighbor.

Zoning gives a person the right to the means to protect himself from those who would do him harm. If a prospective land use is undesirable, he has a right to say so and a place to go to do something about it. If he believes it is desirable, he can help mold the restrictions to fit the particular case.

Democratic Procedure
Zoning does not lead to "dictatorship" but rather to protection for the value of each person's property. Everyone who is restricted is surrounded by those who are protected; this is democracy at work in its most effective way. Controls are brought on and enforced, not by one person or group, but by the whole populace.

Before any move toward zoning can be made, a plan has to be developed. This plan must lay out in simple but elastic terms the overall vision of growth.

Included are the provision of adequate room for orderly development of home sites; provision of space for the development of job sites for the whole category of means by which people earn the money to pay for their comfort and upkeep.

District Legion Conclave Parade Lists 50 Entries

(Continued from Page 1)

About 50 marching units from the Quad-Cities and other near-by areas have consented to participate in a parade on June 4 which will highlight the convention of members of the 22nd District, American Legion in Granite City, Convention Chairman L. L. Brewer and Charles Miskalski said Tuesday.

The co-chairmen told members of Tri-City American Legion Post 113 that the number of units participating in the parade will not be limited to 50, and that interested organizations and clubs may obtain parade entry information from them.

Post 113 is the host for the convention, which will be held here on June 3-4. A convention dance will be held at the post home the evening of June 3.

The parade will begin at the Granite City senior high school at 5 p.m. the following day, proceed down Madison avenue to 25th street, turn left on 25th street to Washington avenue, march down Washington avenue to 21st street, continue on 21st street back to Madison avenue, turn right, and end at the Post 113 home, 24th street and Madison avenue.

After the parade there will be special entertainment by a drum and bugle corps on the parking lot of the National Food Store, 2329 Madison avenue, the co-chairmen said.

Post Commander Aurel Duxand and Brewer are to contact other local veterans' groups concerning plans for Memorial Day observances here. George Durbin

Division Of Land Use
Many counties have a relatively easy task of formulating their zoning program because of the sharp division between the different types of land use that exists.

They usually have only one large center of population, and this group their zoning care in the agricultural area, but also extend to foresting in proper development to insure employment and income for those of his family who choose to pursue other lines of endeavor.

Cloverview Garden Club Holds 'Guest Day' Luncheon

The guest day meeting and luncheon of the Cloverview Garden Club was held Tuesday at the Rose Bowl.

Mrs. Robert McCauley served as chairman of the event, assisted by Mrs. John Jenkins, and 30 members and guests attended.

The luncheon tables were attractively arranged and favored with small bouquets of flowers and candles. The side tables were covered with large white cloths and filled with dark purple iris.

The club collect was read by Mrs. Fred Orr, and Mrs. Leo Roman, president of the club, welcomed the guests who were introduced by their hostesses.

After the 12:30 meal Mrs. H. C. Borgerstedt of Wood River, a special guest of the club, demonstrated floral arrangements and the making of corsages which were later used as prizes.

Mrs. Orr discussed "planting and care of roses, and announced

ment was made of two red ribbons won in the recent Regatta show by two local women, Mrs. B. C. O'Neill and Mrs. Jenkins. Six other members of the club received yellow ribbons at the show.

Guests attending the meeting were Mesdames Roy Williams, Michael Moor, Harold Caldwell, June Stieb, Floyd L. Mitchell, Kenneth Stucke, Charles Voelker, William J. O'Neill, John Voelker, Homer Blumenstock, Harry Epstein, Jerry Williamson and Mrs. Borgerstedt.

The prizes, potted geraniums, floral arrangements and corsages, were won by the following: Mrs. John Sedlack, Mrs. B. C. O'Neill, Mrs. Orr, Mrs. William Ogden, Mrs. W. J. O'Neill, Mrs. Williams, Mrs. George Stearns and Mrs. Mitchell.

Announcement was made of committees for the fall flower show and the June 13 meeting in the home of Mrs. Jenkins, 2442 Lynch avenue, when a "white elephant" party will be held.

Final Meeting For Webster PTA; Picnic Set May 25

The Webster school PTA held its final meeting of the school year Tuesday evening and installed officers for the coming season.

They are Mrs. Jo Ross, president; Mrs. Ada Avery, vice-president; Mrs. Helen Frazer, secretary; and Mrs. Ellen Trillisch, treasurer.

Don Seltzer, the retiring president, was in charge, and the flag ceremony was conducted by Girl Scouts of Troop 157, Clyde Lee, school principal, led the group in prayer and Mrs. Ross presented Mr. Seltzer with a 50-star flag from Boy Scout Troop 20 sponsored by the school.

Final plans were made for the annual school picnic to be held May 25 at Wilson Park, and the program chairman, Mrs. Ross, introduced the speaker, Mr. Lee, who addressed the sixth grade on the topic "Tomorrow." The sixth grade was honored by the PTA and each student was presented with a pencil on which was imprinted the school name and the year. The gifts were wrapped as diplomas.

Mrs. Elizabeth Keck presented the retiring president with a PTA pin engraved with his years of service and refreshments were served by the sixth grade mothers to 125 members.

'Safety Week' To Place Emphasis On Traffic Care

With emphasis on traffic, "Safety Week" will get into high gear May 26 to launch the week-long program which coincides with the approach of school vacation and the Memorial Day holiday. It was announced today by Raymond Willard, president of the Quad-City Safety Council.

Willard, chief of the Granite City police department, said plans will be afoot to map activities during the week which ends June 2. Also a poster contest to stress importance of safety is planned, under the chairmanship of George Oulm.

Poster deadline is 5 p.m. May 25 and entries are to be submitted to the Chamber of Commerce office, 1830 Edison avenue. Reference materials are on display at the C. of C. office and at the Washington Theatre. The contest is open to all local grade, junior and high school students and winning entries will be displayed in business windows.

Ernest Pavia, of the Madison police department, is chairman of the program committee and will be asked in the planning by Dale Blackwell, of Union Starch & Refining Co., Ray Christman, of Union Electric Co., and Charles DeRousse, of Celotex Corp.

The safety council plans to call for assistance from business, industry, school, church, after spending the weekend at Ava, Ill., visiting his father, Oscar Hodshire.

NAMEOKI

MRS. VYVINE DURBIN
1644 VENICE AVENUE - Glenview 2-3389

MAY SESSION OF NAMEOKI PRESBYTERIAN WOMEN according to a report by the evening circle chairman, Mrs. Louise Thompson.

Mrs. Alta Stewart, president, conducted a regular monthly meeting of the Nameoki United Presbyterian Women's Association Monday evening at the church on Pontoon road.

The devotion, "Assurance of Salvation," was given by Mrs. Betty Flinn, who also read missionary names of the day and a special missionary name of the month and offered prayers.

Mrs. Violet Monahan, world service chairman, announced that a cancer bandage cutting session has been changed to May 16 and will be held at the home of Mrs. Louise Cox, Route Four, Edwardsville, beginning at 9:30 a.m. The change was made due to the inclement weather.

The evening circle will meet May 23 at 8 p.m. at the home of Mrs. Beatrice Pyle, 1821 Ferguson avenue, and the afternoon circle will meet May 25 at 1:30 p.m. at the home of Mrs. Carolyn Stearns, 2100 Pontoon road.

meeting was closed with prayer by Mrs. Stewart.

Refreshments were served by the evening's hostesses Mrs. Martha Bowman and Mrs. Taylor to Mrs. Beatrice Pyle, Mrs. Joan Kaseberg, Mrs. Edith Arlogast, Mrs. Janice Carr, Mrs. Ann Freeling, Mrs. Lena Kaseberg, Mrs. Jene Lybarger, Mrs. Twyla Marcum, Mrs. Edith Simpson and Mrs. Carolyn Stearns.

GIRL SCOUT TROOP 24 HONORS MOTHERS

Girl Scout, Troop 24, sponsored by the Nameoki Presbyterian Church, honored the members with a mother-daughter banquet Tuesday evening.

The banquet, held at the Nameoki Presbyterian Church, was prepared by the scouts after school under the direction of their leader, Mrs. Mary Stegle.

A hat filled with flowers was used as the centerpiece, and miniature flower-filled hats were presented to each mother as a favor.

The evening program was made by Grace McCance, assisted by her mother, Mrs. Joyce Bennington.

After a welcoming address by Mrs. Stegle, Marilyn Bondegard gave a reading on Mother's Day.

and two playlets were presented decorated in the traditional bride and groom theme, with white bells suspended from the ceiling and colorful spring tulips as the serving table centerpiece.

The gift table was centered with a ceramic bride and groom. Ceramic favors inscribed with Helen and Richard, May 27, 1961, were given to each guest.

Those attending were Mrs. Nicholas and Miss Nancy Neun-Bennington, Nancy and Mrs. Ceramie; Mrs. Louis Bueckling jr. of Collinsville and Mrs. Claude Hiles, Mrs. William Wyatt, Mrs. Kenneth Knox, Mrs. Velmar Young, Mrs. Roland Pfingston, Mrs. Orville McKay, Mrs. Matt Hadaller, Mrs. Mary Leonard Ham, Mrs. Joseph Schmidt, Mrs. Paul Goldschmidt, and Miss Alice Louise Rodell.

ATTENDS MOTHER'S DAY LUNCHEON AT BRADLEY

Mrs. Mary Margaret Graham, 2017 Manley avenue, attended a Mother's Day luncheon given by the Phi Beta Psi sorority of Bradley University in Peoria Sunday. She was the guest of son and Mrs. Lewis Rains gave a report on the Illinois PTA convention, held last month, which they attended. Johnson also announced that the school picnic committee will meet May 18 at the school.

Board members attending were Mrs. Clarence Wallace, Mrs. Gene Casey, Mrs. Richard Pohn, Mrs. Harvey Boone, Mrs. Donald Jolly, Mrs. Robert Vessas, Mrs. Milton Harvey, Irvin Nicol, Mrs. John Haynes, Mrs. Allen Jensen, Joe Arico, Earl McMillan, Marshall and Mrs. Joseph Mills.

Mothers of the Peoria Phi Beta Psi were hostesses to the out-of-town guests.

Each mother attending was presented with a corsage by her daughter.

In the evening, Mrs. Graham attended the "Pan Pans" Sing, a competitive sing between the fraternities and the sororities, held annually in observance of Mother's Day.

RETURNS FROM HOSPITAL

Mrs. Lu Pyle, 1716 Moro avenue returned to her home late Tuesday after a week's stay in St. Elizabeth Hospital for a check-up and tests.

FROHARDT PTA TO INSTALL OFFICERS

The executive board of the Frohardt PTA met Tuesday evening at the school, with Mrs. Charles Rodell, president, conducting the meeting.

She announced that officers for the 1961-62 school term will be installed at the regular meeting, Tuesday, May 18, at the school, and that the PTA fathers will have charge of the evening's programs under the direction of Principal William H. Marshall.

President-elect Homer Johnson and Mrs. Lewis Rains gave a report on the Illinois PTA convention held in Chicago in late April will be given at the

regular PTA meeting by the delegates who attended. Menendez and Donald Kopp.

Members attending the meeting included Mrs. Elva Mae Spiceland, Mrs. Wilma McQuinn, Mrs. Peggy Bolcher, Robb, Mrs. Betty Caldwell and Maurice Steele.

SURGERY PATIENT

Tom Harmon, 1737 Moro avenue underwent major surgery last week at St. Elizabeth Hospital, is recuperating satisfactorily.

NAMEOKI PTA MEETING, PICNIC PLANNED

The executive board of the Nameoki PTA met Tuesday evening at Nameoki school with Herman Greve, president, in charge of the meeting.

Greve reported that installation of officers for the next school term will be held at the regular monthly meeting May 16 at 7:30 p.m. at the school, with Russell Robbins, school principal, as the installing officer.

Arthur Mound, chairman of the school picnic, announced that the picnic will be held June 5 at Wilson Park. He said a report on the Illinois state PTA convention held in Chicago in late April will be given at the

A cartoon character, possibly a child or a small adult, is depicted in a dynamic, running or jumping pose. The character has a round face with large, dark eyes and a wide, smiling mouth. They are wearing a striped shirt and dark pants. In their right hand, they hold a rectangular sign with the words "BRAND NAMES" written on it in a bold, sans-serif font. The character's left leg is bent and raised, suggesting movement. The overall style is simple and illustrative, typical of mid-20th-century advertising graphics.

A black and white photograph of three Hammock brand oranges. The oranges are arranged in a cluster, with one in the foreground and two behind it. Each orange has a small, dark, oval-shaped label with the word "Hammock" written on it. The oranges are surrounded by several large, dark leaves and small, five-petaled flowers, suggesting a natural or garden setting. The background is plain white.

MAY QUEEN CROWNING

At St. Mary's Church
Miss Cheryl Slaby was crowned

May Queen in ceremony Sunday afternoon at St. Mary's Catholic Church in Madison.

A procession honoring the Blessed Virgin Mary started at St. Mary's school, the processions consisted of school children dressed as page boys, angels, flower girls, priests and nuns.

There also were Boy Scouts, Girl Scouts, Cub Scouts and a Brownies, first communicants and older girls carrying in blue satin capes dressed the statue of the Blessed Mother.

Following were the retiring queen, Miss Donna Miller; the queen-elect, Miss Slaby; members of the Catholic Youth Organization in formal attire; the altar boys; and Fr. Engelbert Blum, Fr. Sylvester Blum, Fr. Joseph Hagen.

After the procession entered the church, a rosary was said and hymns were sung, with Miss Miller crowning Miss Slaby as the new queen. Miss Slaby presented her bouquet to the Blessed Mother and crowned the statue. The statue and altar were decorated with baskets and bouquets of spring flowers.

Following the crowning, there was Benediction of the Blessed Sacrament. Miss Slaby was escorted by David McIlroy, president of the CYO.

Her floor-length gown was of sheer white nylon over ruffled tulle with an embroidered bodice and panels of embroidered tulle at the front of the skirt. The back was trimmed with a huge butterfly bow of white tulle with a matching cummerbund. She wore elbow-length white gloves, with white pumps and a crown of American Beauty roses.

The crown was of gold-colored filigree metal set with blue and white flowers. The retiring queen was attired in a pink and white net full-length gown. The dress was tight fitting with cap sleeves.

The back of the skirt consisted of ruffles from the waist to the floor, with an apron effect at the front made of white tulle with pink and green embroidered flowers. Miss Miller was escorted by David Huk.

LUNCHEON FOR MIZPAH CLASS

The Mizpah Bible Sunday school class of the First Presbyterian Church met Monday evening in the basement of the church. The new officers were serving for their first meeting of the year, with Mrs. Eunice Wilkerson, president.

The meeting was opened with singing of hymns by the class members, with Mrs. Rae Miller at the piano. Roy Hill, Jr. was guest speaker for the evening.

During the business meeting, plans were made for a social dinner to be given in the basement of the church, with the date set for June 8. Carry-over orders will be filled as well as diners being served. Tickets will be sold by the members, who also will prepare and serve the dinner.

A rummage sale is to be held in Venice June 17 by members of the Mizpah class. At the conclusion of the meeting, the officers were elected for the year.

The officers are: Mrs. Dora McDonald, secretary; Mrs. Annie Latta, treasurer; Mrs. Mattie Bosworth, Mrs. Merle Gnoth, Mrs. Betty Rodgers, Mrs. Kathryn Haskins, Mrs. Gladys Gitchell, Mrs. Dorothy Cramer, Mrs. Ruth Lucas, Mrs. Bernice Gushoff and guests for the evening, Mrs. Genevieve McCombs, Mrs. Howard Lucas and Hill.

The hostesses decorated the tables with bouquets of spring flowers. The next meeting is to be held at the church on June 12.

GLEANNERS CLASS PLANS YOUNG PEOPLE'S DINNER

The Gleanners Sunday school class of the Temple Baptist Church met Tuesday evening in the church. The monthly meeting was opened with prayer by the vice-president, Mrs. Sybil Miller. The devotional, "Mother," was given by Mrs. Edna Chamberlain.

Plans were completed for a banquet to be held for the young people of the church June 6 at the church.

The hostess, Mrs. Myrtle McIlroy, served refreshments to Mrs. Marie Bryson, Mrs. Gertrude Taylor, Mrs. Alma Whitte, Mrs. Eloise Bourland, Mrs. Edith Collins, Mrs. Edna Chamberlain and Mrs. Rose McCombs.

Madison Grade School Band In State Contest

Madison's grade school band will journey to Mount Vernon Saturday to take part in the annual state judging sponsored by the Illinois Grade School Band Association.

The entire 90-member band will compete as a unit, under the baton of William Leubetter, Madison school band director. The group includes fifth and sixth grade youngsters from Louis Baer grade school, and seventh and eighth graders from Madison Junior high school. The local grade school musicians earned the right to advance to state competition by attaining a rating of first-inferior in a district contest last month at Belleville.

Cloverview Group Told Of Defense Preparedness

Civil defense was the topic of the Cloverview Civic Improvement Association held its monthly meeting Tuesday evening at Maryville school, with Monroe Meyer, first vice-president, conducting the meeting.

Meyer introduced George Schumacher, CD director in Granite City, and Mrs. Valerie Evenden, deputy director. Schumacher spoke on the organizational structure from the national to the local level and reviewed the CD history, goals and purposes. He explained functions of the auxiliary police, radiological division, rescue and communication teams and emphasized the need for more volunteers in all branches.

Current training courses and programs were explained, along with those planned for the future. He pointed out that a re-

cent CD five-week basic training held at the headquarters, attracted over 50 adults and many signed up for more training in various divisions.

Mrs. Evenden reviewed the actions taken by the Granite City CD unit in recent simulated exercises on a nationwide scale. She listed the degree of danger that would exist at each stage of a nuclear war and the actions required to guard against them. She explained types of home shelters and told what citizens should do to protect themselves and their families.

A display was shown of food necessary for one person for two weeks, the minimum period believed necessary at this time for protection against radioactive fallout. Included were books, cards and games, as well as food or water, she said. She also suggested wrecking equipment, blankets and first-aid supplies.

CD literature was given out. Dalton Groothuis and Cecil Nash reported on progress in investigating the possibility of aid from the state health department on standing water in the subdivision. A recent letter brought Harvey Dominich, an entomologist, to Granite City Tuesday to analyze the problem. He indicated that due to the recent heavy rains, a sample at this time would fail to present a true picture of contaminated water, but he made a visual survey, and he made a visual survey.

The next meeting is tentatively set for June 6 or 8, depending on availability of the school. Those attending included Mrs. Monroe Meyer, Robert Skinner, Mrs. Delton Groothuis, Joel Tester and Roy Baumberger.

State Meet Berths At Stake Friday In District Cinderpath Competition

Preliminary events will get underway at 4:30 p.m. tomorrow at Parsons Field in East St. Louis, scene of the 1961 Illinois High School Association's district track meet for high schools in this area.

Qualifiers will compete under the lights in the finals, which will begin at 6:30 p.m. Host East St. Louis and Alton most likely will dominate the meet, although Edwardsville, Roxana and Centralia will make strong bids for state meet berths in some events.

Individual and relay winners do not necessarily qualify to advance to the finals in Champaign on May 19-20; minimum standards established by the IHSAA must be met. By the same token, non-winners, if their times are good enough, may go on to the University of Illinois high school meet.

G.C. Madison Among 17 Entries
Granite City and Madison will enter the meet, together with 15 other schools, but only Granite City's Harry Thurai, who jumped 6.0 earlier this spring, has a time/distance/height equal to or above the qualifying standard for the state finals.

Redbird Co-Coaches Fred Will and Bill Perring over the past couple of years have developed what some observers feel to be a squad with better than even chances of taking the state title this spring. Alton finished fourth at Champaign in 1960, and is the favorite to capture the unofficial team title tomorrow night.

Based on that contention is the Redbirds' strength in depth, in almost every one of the 14 events.

which will be run off tomorrow night, the Blue has runners who can qualify for the state meet, even if they run no better than previous dual conference track and relay activities held in 1961.

Possible Qualifiers
Events, together with the standards set by the IHSAA for qualification as state entries and the athletes from this area who have met those standards at least once this spring, are listed below:

100-yard dash (10.2), B. B. Gater, Ron Ayers and Loren Rando, all of Alton; 220-yard dash (22.8), Ayers, Rando and Gater, all of Alton; 440-yard dash (51.5), Ken Connors, Edwardsville and George Hunt, Alton; 880-yard run (2:02), John Trowbridge and Hershel Gill, both of Alton; mile run (4:38), George Burnham, Edwardsville and Trowbridge, Alton.

880-yard run (1:33), East St. Louis, Roxana, Alton; mile relay (5:15), East St. Louis, Roxana, Alton; 120-yard hurdles (1:55), Warren Hampton, Alton; 220-yard hurdles (4:00), East St. Louis, Bob Henderson of Edwardsville and Rando of Alton; pole vault (11-8), Ed Dancy and Ed Davis, both of Alton; discus (140-0), Bob Brown of Cahokia, Bruce McLane of Roxana and Harold Gausatz of Belleville; shot put (50-0), Bob Richardson, of Alton; Javelin of Belleville and Gausatz of Belleville.

A possible top contender in the discus event is Collinsville's Bogie Redmon, who has been inactive since early in the season when he relinquished his left foot. Redmon tossed the plate consistently around the 100-foot mark last spring as a junior.

Just how many district records will be broken tomorrow will depend in part upon the condition of the track at Parsons field following a weekend of

As it was, everything on Sunday's card had to be postponed, and will be rescheduled at the next monthly league meeting. Meanwhile, all ten clubs will try again Sunday.

Red division leader Moose Lodge (2-0) plays White City, which has an identical record in the Blue division and also leads the five-man group. Granite City Sacred Heart will look for its second victory at home (Willson Park) against the Collinsville Stars. Both are 1-1 in the Red division.

Mercer will travel to Jones Park in East St. Louis to play McAteer Glass. The Glasmen, only team to suffer two rainouts this season, are still seeking their first victory.

Hot Rodders List Aims — Stress Careful Driving

The Steel Mills Hot Rod Club of Granite City, unhappy with overtones attached to the term "hot rodgers," is attempting to improve its image through explanation of its purpose.

Hot rod clubs in general are confronted with the adverse publicity heaped on them by the driver of a souped-up vehicle who is involved in a traffic violation of its purpose.

The local group denounces the persons who use their vehicles to zip recklessly through the streets and down the highways without regard to safety and emphasizes that the well-organized hot rod club produces careful drivers and bring out an inherent desire to improve and provide.

I-C League Will Try Again On Sunday; Boosters Visit Hearts, Mercer vs. McAteer

The rains came — and about the only Inter-City baseball club manager who wasn't unhappy about last Sunday's washed-out game was Mercer Funeral Home's Ollie Miller.

Mercer had a tough opponent scheduled in Moose Lodge No. 4 of East St. Louis, and Miller would have been forced to play the game without four of its starters, who were rolling in a Detroit bowling tournament.

As it was, everything on Sunday's card had to be postponed, and will be rescheduled at the next monthly league meeting. Meanwhile, all ten clubs will try again Sunday.

Red division leader Moose Lodge (2-0) plays White City, which has an identical record in the Blue division and also leads the five-man group. Granite City Sacred Heart will look for its second victory at home (Willson Park) against the Collinsville Stars. Both are 1-1 in the Red division.

Members point out that strict membership standards are maintained and long scrutiny is performed before a new member is enrolled.

According to Robert Spengler, president of the group composed of young men employed at Granite City Steel Co., prospective members are observed for a period of four weeks and if they meet certain requirements, they are voted on by the "hall system." Three black balls constitute non-acceptance.

Spengler says that the true hot rodder is closely allied with being an experimentalist; that his love of competition "assumes many of the elements that buttress ideals of free enterprise."

"Most hot rodgers possess a certain degree of daring-do," he said, "and if turned into the right channels their talents are highly creative."

He said that the elements of an enthusiastic hot rodder are those that combine mechanical knowledge and constructive intelligence in speed within proper facilities.

Spengler insists that speed is itself is not evil, adding that track events are conducted under safety supervised auspices, provide the answer.

"It has been demonstrated that an 18-year-old working on his car night after night in his garage at home is not nearly so much of a social problem as the boy who spends his idle hours loafing," he explained.

He went on to say that adult guidance and assistance can be constructive and that unfair criticism, intolerance and misunderstanding serve only to create bitterness and to drive perfectly legitimate activity underground.

The club here has 25 members, from the ages of 17 to 35. It meets weekly in a garage of one of the members. Members engage in controlled races, and safety features are stressed in vehicles, with periodic checks being made to keep cars in top shape.

All vehicles of members meet legal requirements as to safety, and the motorist whose auto exhaust belts out a roaring blast is introduced as a member in the club.

But too often, the club is the object of censure, he concluded.

Club Urged To Exercise For Physical Fitness

"Physical Fitness" was discussed by Dr. E. W. Walton, Granite City, a chiropractor, in a talk before the Granite City Rotary club during its noon luncheon meeting Tuesday at the YMCA.

The speaker urged participation in regular exercise and athletic programs, such as those conducted at the YMCA. He was introduced by Robert Anderson, program chairman.

SIU Guidance Tests Set For Saturday

Students planning to enter Southern Illinois University in June or September may take guidance tests at the university's centers in Alton or East St. Louis on Saturday, May 13 and 20. Taking the tests before a new term begins will expedite matriculation, according to Dr. Howard V. Davis, director of student affairs at the university's Southwestern Illinois Campus.

whether or not they have applied for admission to SIU, the tests are designed to aid the university in counseling students, awarding scholarships and selecting English and mathematics classes.

Beginning at 9 a.m. and ending at 4:30 p.m., the tests will be given at SIU's College Avenue auditorium in Alton this Saturday and at 909 Ohio street, East St. Louis, on May 20.

Auto Crashes Info Store, Closes It

Ralph's Country Store, 866 north of the railroad crossing at Route Three, Mitchell, expects to reopen some time today or tomorrow after being closed since struck by an auto at 5:30 p.m. Monday.

Ralph Bucher, proprietor, told the Press-Record that an auto occupied by Roy Hughes of the 2500 block of Circle drive accidentally started forward while parked in front of the store and drove through the front wall of the frame one-story grocery and liquor store. He added that the car apparently was in a forward gear by mistake.

Bucher estimated damage at \$1500 to \$2000 to the building and contents, including shelving. A tarpaulin was used to cover the opening until the store could be inspected by insurance adjusters.

WELL-EQUIPPED SOLARI-UM adjacent to children's ward at St. Elizabeth Hospital helps youngsters who are particularly impatient patients — pass long hours at the hospital.

So do members of the hospital's volunteer work staff, the "pink ladies" and "candy strippers." One such volunteer, Mrs.

Leitha Worthen (second from left) is shown here helping hospital Pediatrics Supervisor Sister Mary Pauline (seating, center) entertain small patients with an array of toys and books.

The solarium also provides younger patients a spot to bask in the sun or watch their favorite programs on television.

High Water—Car Brake Failures—Cause Accidents

High water on roadways was the cause of two traffic accidents in Granite City on Monday. There were no injuries, and police said they were told by motorists in both crashes that their auto brakes had failed after they had driven through water.

Lela Wagoner, 36, or 3801 Pontoon road, who was charged with operating a motor vehicle without a driver's license following an auto-truck accident at West Pontoon road and U. S. Highway 67A, told police she was going west through deep water on Pontoon road and was unable to stop her car. She posted her driver's license following a hearing Saturday.

The truck was being operated south on Route 67A by Peter A. Tocco, 31, of Ferguson, Mo., driver for a St. Louis sea food firm.

Boy, 8, Cuts Foot In Bicycle Wheel

Two boys were injured slightly in accidents Tuesday and received emergency treatment at St. Elizabeth Hospital.

Charles R. Thomas, eight-year old son of Mr. and Mrs. Milo E. Thomas, 2910 Myrtle street, suffered a cut to his left foot when his heel caught in bicycle wheel spokes. Ten stitches closed the wound.

Michael A. Karpowicz, eight-year-old son of Mr. and Mrs. Anthony Karpowicz, of 1708 Second street, Madison suffered a cut on his right knee when he fell to the pavement near his home. He received four stitches. (1-col box)

The other accident occurred on Nameoki road at Victory drive; where brakes failed on the southbound auto of Alma L. Chappell, 34, of 1506 Kirkpatrick Homes, causing her auto to crash into the rear of the southbound auto of Charles R. Ferratto, 41, of 2345 Benton street. Ferratto told police he had stopped to make a left turn.

GC Relief Aid Drops In April

Granite City township's relief assistance dropped to 82 cases with 295 individuals during April when costs amounted to \$884. It was reported this week from the office of newly-elected Supervisor Nelson Hagnauer, who assumed his duties the last week of the month.

The April general assistance figures compare to March totals of 89 cases with 314 persons and costs of \$6303. The higher for fewer cases were explained in that retiring Supervisor Leonard Oran was clearing all unpaid relief bills due.

Kiwanis Add Member; Discuss Khoury Aid

The Mitchell Kiwanis Club, meeting Monday at Smith Cafe, enrolled one new member and heard a report on providing insurance to Khoury league baseball teams.

Inducted into the club was Ray Jurgens, of the Chicago and Eastern Illinois railroad office, Mitchell. Total club membership is 16.

Lee Barker, chairman of the insurance committee, reported that he will attend the organization meeting of the Khoury teams at 6 p.m. Friday at Mitchell schools to learn the number of squads to participate.

Barker said that cost of the insurance will be \$22.50 per team. The Kiwanis is planning to provide funds for accident insurance, depending on the number of teams.

In other action, the Kiwanis voted to order six additional street signs to be erected when new streets are completed. Nine members attended the session, presided over by President Thomas Smith.

Bids Sought For Glenview Sewer Extension

Sealed bids for extension of sanitary sewer service to Glenview Addition No. 10 are being sought, with 11 a.m. May 19 as the deadline for submitting the proposals.

The work consists of construction of a system of sanitary sewers, manholes and other necessary appurtenances and will connect to the existing system. Contract documents may be secured from the office of Shepard, Morgan & Schwab, engineers, 2201 Edison avenue.

No matter what kind of Real Estate you buy...

Big Home or...

Small Business...

One way to protect this most important investment is to secure the help of your family lawyer before you buy. He can explain your obligations and safeguard your rights at every stage of the transaction.

Another kind of protection you need is a title insurance policy from Chicago Title and Trust Company. Your lawyer can explain to you some of the risks which can threaten the title to your property... why a deed does not necessarily protect you as to the condition of the title.

When you buy real estate, be sure you retain a lawyer to protect your interests, and get a title insurance policy from Chicago Title and Trust Company to protect your ownership.

GCNS May Day Queen Ceremony Tonight, Friday

Miss Carolyn Sparks, 18, daughter of Mr. and Mrs. Thomas Sparks, 2636 East 27th street, will be crowned tonight as May Queen of Granite City high school.

The coronation and the accompanying May Day program, entitled "Candy Land," will begin at 8:15 tonight in the GCNS auditorium and will be repeated at 8:15 p.m. Friday.

The crown will be bestowed on Miss Sparks by Miss Catherine Schaefer, 1960 Harvest Queen at GCNS.

First attendant to the May Queen will be Miss Sharon Reinhardt, 17, daughter of Mr. and Mrs. Elmer Reinhardt, 2905 Iowa street, and second attendant will be Miss Geraldine Straka, 17, daughter of Mr. and Mrs. Joseph Straka, 2434 Delmar avenue.

The procession of girls in the top senior graduating class will begin the evening, with the coronation ceremony taking place after the group has reached the stage.

A series of dances, tumbling, marching and skating numbers will follow, being presented by girls' physical education classes, after-school clubs and units of the Girls' Athletic Association. The program will end with a Maypole ceremony by girls of the low senior class.

Two GC Apprentices To Get Carpenter Diplomas

Two Granite City men will be among eight Madison county carpenter apprentices to be graduated into journeymen ranks in ceremonies at 7 p.m. May 16 at the Granite City high school cafeteria.

Diplomas will be awarded to Leo Thomas and Thomas Wise during the annual banquet sponsored by the Carpenter's district council of Madison county.

Others graduating include Larry Verduin, Alden Colston, Russell Jones, David Korte, Warren Meyer and Leland Stoff.

William Thyer, field representative of the Bureau of Apprentices, U. S. Labor Department, will present the awards.

Principal speaker will be John B. Hundley, director of industrial relations and personnel for Granite City Steel Co.

Also on the program are Eugene Jotte, secretary to Congressman Melvin Price; Robert Newell, state superintendent of trades and industrial education; Dr. Harold Kaiser, Granite City superintendent of schools; and other Madison county school officials are to give brief talks.

Wagner, Weber and Saint-Saens. The program will include solos by Barbara Davis, David Green and Betty Fulton.

Appears With College Concert Orchestra
Bill Koenig, son of Mr. and Mrs. W. H. Koenig of 2538 Sherman avenue, is a member of the Central College community orchestra which will present its final concert of the season at 8:15 p.m. tomorrow in the college auditorium at Fayette, Mo. Koenig plays the timpani.

Directed by Henri B. Pensis, the orchestra will perform selections by Handel, Schumann, Wagner, Weber and Saint-Saens. The program will include solos by Barbara Davis, David Green and Betty Fulton.

Maundy Thursday Added As GC School Holiday

A 178-day school calendar, with Maundy Thursday added as a holiday, was approved by the Granite City school board Tuesday night for the 1961-62 year. Classes will begin Tuesday, Sept. 5, the day after Labor Day, and will end on Friday, June 8, 1962.

Special dates during the fall semester will be as follows: principals' meeting, Aug. 29-30; orientation of new teachers, Aug. 31; opening faculty meetings, Sept. 1; Labor Day, Sept. 4; opening of school, Sept. 5; county teachers institute, Sept. 12; Illinois Education Association and American Federation of Teachers meetings, Oct. 13; Thanksgiving holidays, Nov. 23-24; beginning of Christmas holidays, Dec. 13; resumption of school, Jan. 2; teachers' record day, Jan. 25; and end of the first semester, Jan. 26.

The spring semester, beginning Jan. 29, will include Lincoln's birthday, Feb. 12; a second county institute, March 30; beginning of Easter vacation, April 15; resumption of classes, April 24; Memorial Day, May 30; teachers' record day, June 7; and dismissal of school, June 8.

In submitting the proposal, Supt. Harold M. Kaiser said there is a trend in many schools to observe Maundy Thursday as a holiday, as well as the traditional Good Friday and Easter Monday holidays.

Reporting two days' leeway for any necessary school closings, he said the intention is to operate for 178 days. If circumstances make it necessary, additional days of attendance can be added at a later date, he noted.

New Construction In GC This Month Valued At \$21,917

Home and commercial remodeling and improvement projects were the big items among 22 construction permits, valued at \$21,917, issued this month by Granite City by City Building Inspector Earl Bloomquist and City Clerk A. L. Stevens. Largest permit, in the amount of \$8000, went to Dr. Curtis Green for a new front to be installed on a two-story brick commercial and office building on the northwest corner at Niedringhaus avenue and State street. The building houses Miller's Drug store, a beauty shop, TV shop, Red Cross office and a realty firm on the first floor and dentist and offices on the second floor.

Other commercial permits were issued to the Lee Shops, 19th street and Edison avenue, for general alterations costing \$1325; H&R Furniture store for a \$1500 electric sign to be erected at Bellemore Village shopping center, and H. D. Karandjoff for masonry repairs to the Simpson restaurant building, 1316 Niedringhaus avenue.

17 Home Projects. The city issued 17 permits for home repair and improvement and they went to the following:

James Huddleston, \$1200 to raze and rebuild a dwelling at 1303 Granite avenue; John Zick, \$1200 for aluminum siding at 2320 Lincoln avenue; Fred Kirksey, \$1000 to enclose porch at 2650 Iowa street; Edward Cuppet, \$1000 for a roof and general repairs at 2311 Independence street; James Dix, \$1000 for siding at 2515 Washington avenue; Robert G. Gall, \$1000 for porch at 2054 Fourteenth street; Victor Lipmeyer, \$800 for stone masonry at 2172 Lake avenue; Medical, \$500 for porch repairs at 2610 Hodges avenue; Mrs. James McQuade, \$500 for front porch at 2569 Iowa street; Robert McCauley, \$300 for a porch repair at 2447 Lynch avenue; Mrs. Agnes Beckman, \$250 for porch repairs at 1638 Delmar avenue; Mae Edwards, \$250 for a roof at 2817 Madison avenue; Lewis Lee, \$228 for aluminum siding at 2801 Denver street; Jackie Downs, \$200 for wiring at 2817 West 22nd street; Frances Raub, \$150 for general repairs at 2120 Edison avenue; Claude Buft, \$100 for general repairs at 2817 Harding avenue. A permit for construction of a garage and installation of driveway at 2105 Terminal avenue was issued to James Craft in the amount of \$700.

Razing of a 1220-foot dwelling at the rear of 304 Marshall avenue was obtained by Jennie McDonald, who set the cost at \$100.

GC Clerk's Office Open On Saturdays

City Clerk A. L. Stevens today announced his office in the city hall is open from 8:30 a.m. until noon on Saturdays to accommodate Granite City residents seeking to buy 1961-62 city auto license stickers.

The \$3 licenses became due May 1, the start of the city's new fiscal year. However, a drive against delinquent auto owners is not expected immediately.

Regular office hours for the clerk are 8:30 a.m. to 5 p.m. Mondays through Fridays, but the office, located on the second floor of the city hall building, is kept open a half-day on Saturdays during the city auto license sale period throughout May.

Farm Housing Loan Funds Are Available

Farmers Home Administration Supervisor Harold E. Kiege said today that owners of farms who need to replace or repair houses and other essential farm service buildings are showing a great deal of interest in the agency's farm housing loan program. These loans are available to qualified owners of all sizes of farms provided the farm will produce at least \$400 worth of commodities for sale or home use each year, based on 1944 prices. Additional loan funds have recently been made available for this type of credit.

These loans serve the dual purpose of providing better farm buildings and homes and stimulating the local economy. They are repayable over periods up to 35 years at 4% interest. Homes and other buildings constructed with the loan funds provide work for electricians, carpenters and others. The purchase of building materials increases local trade. The office serving this is in the main post office building in Belleville. It services Madison, St. Clair, Clinton, Monroe and Washington counties.

Motor Vehicle Theft Charge Filed Monday

A charge of larceny of a motor vehicle, filed by Assistant State's Atty. John Gilchoff, was served Monday on James Alexander, 18, on information given him by Granite City police. During a hearing before Justice of the Peace Harry Hartman, Alexander, who lives with a relative at the Granite City Engineer Depot, waived a preliminary hearing and was bound over to the Madison county circuit court grand jury. His bond was set at \$1000 and he was taken to the county jail at Edwardsville.

Police said Alexander was one of a trio of youths taken into custody early last Sunday morning, an hour after Granite City police had been notified by Roy Moore, 2242 Iowa street, at 2:50 a.m. that his auto had been stolen from 18th and State streets. No charges were placed against the others.

VFW Outlines Purposes Of Buddy Poppy Funds

Preparing for the annual Buddy Poppy Sale, to be held here May 26 and 27, Commander Joseph Steele of Veterans of Foreign Wars Post 1500, and Auxiliary President of C. Leo Scherf, today outlined the manner in which Buddy Poppy funds may be spent.

Commander Steele and President Scherf said they are explaining the disbursement procedure, as given in the VFW's national by-laws, so that Quad-Cityans would know where the funds are going.

"The purposes, they said, are: For the relief and comfort of disabled and needy veterans and their dependents; For maintenance or expansion of the VFW National Home at Exton, Pa., Mich., for widows and orphans of veterans; For hospital or individual assistance and entertainment for hospitalized veterans on service patients and their dependents.

ASF President Sees Quarterly Income Rise

Forty-eight students appear on the honor roll for the second week of the school year. The semester at Central junior high school, Principal Robert J. Davis announced today.

U. of I. Staff To Meet Prospective Students

High school students interested in the University of Illinois, and their parents, are invited to meet staff members of the U. of I. in the Stratford Hotel, Alton. This is one of 13 meetings to inform students and parents and answer their questions which are being held this spring throughout the state by the U. of I. State Association with cooperation of the Mothers Association.

Henry Dervels of Collinsville, Madison county chairman for the Dads Association, is in charge. Mrs. Charles W. Jenkins and Mrs. George M. Brooks of Alton, are Mothers Association chairmen for the county.

Everyone in Madison and surrounding counties who is interested is invited to attend.

Crash On Madison Ave.

Autos driven by Donald Lee Kidney, 25, of 700 Third street, and Bernard G. Kie, 25, of 27th, of Herrin, were involved in an accident Monday at 21st street and Madison avenue where Kidney was going south on Madison and Kie was traveling west on 21st. Police said there were no injuries.

HOME OWNERS INSURANCE CALL REINHARDT

"This is one of the few chances people have of paying homage to those who gave so much for their country during times of war," Commander Steele said. "If you give 25 cents for a Buddy Poppy, most of your contribution stays right here in our community where the local post uses the money to help needy veterans and their families."

"One and a half cents goes to the state VFW welfare program; one cent to the VFW National rehabilitation service; one cent to the VFW National home for widows and orphaned children and the remainder to cost of materials and to pay the hospitalized veterans who assemble the Buddy Poppies."

Venice Relief Costs Show Decline In April

Venice township relief costs declined in April, with \$12,222 being spent to aid 467 persons included in 156 cases, a monthly report showed today.

The 1961 high was reached in March when \$14,883 was expended to assist 547 persons in 169 families.

The February figure was \$12,364, with 159 families including 503 people aided. A total of 452 persons was given assistance in 156 cases in January, when \$9869 was spent.

Representatives of the Illinois State Department of Personnel will be in Alton next Tuesday to interview and examine applicants for State Merit examinations. State Director of Personnel Mayde Myers announced today.

The examinations include such diversified fields as clerk stenographer, disability claims examiner, district office police clerk, employment interviewer, guard, laboratory technician, psychologist, U. C. deputy, warder, x-ray and radio operator technicians.

The representatives will be available to interview and examine applicants from 9 a.m. to 2 p.m. at 87 Henry street, Alton.

PARADE, CEREMONY FOR LITTLE LEAGUE SATURDAY

A parade marking the start of the Nameoki Little League 1961 season will begin at 1:15 p. m. Saturday at the corner of Franklin avenue and Johnson road. It was announced this week.

The teams will march as units, led by their managers and coaches, and last year's champion team will head the parade. The route will be down Franklin to Pontoon road, east to Johnson road, down Amos avenue and back to Franklin, entering the playing field by crossing the playground.

Walter Spiceland will be master-of-ceremonies for opening ceremonies following the parade. Guest speakers will be Mayor Leonard R. Davis and Harry Loman, president of the Granite City park board. Rev. Alfred Bids will offer the invocation, and Charles Orr will have charge of a flag ceremony.

LINCOLN PILGRIMAGE FOR TROOP 12

Boy Scouts of Troop 12, sponsored by the Niedringhaus YTA, participated in a Lincoln pilgrimage Sunday afternoon in Springfield, Ill.

Those taking part from Troop 12 were Fred Hacke, scoutmaster; John Matras, assistant scoutmaster; Committeemen Al Hoekstra and John Kozyak and Scouts Charles Hacke, Bernie Yovin, Tim Earmey, George Mosegood, Ron Legate, Bill Fulcher, Louis Dragonich, Mike Jenne, Larry Dennis, John Voyles, Bill Hill, John Kozyak, Peter Maer, Rich Paoli, Alvin Hoekstra, Rob Paoli, Louis Mohl, Jeff Parmley, Joe Henry, John Matras and Harry Zammer.

VISITING PARENTS

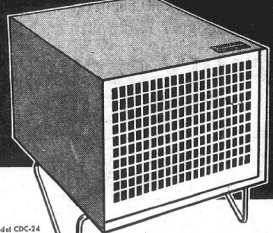

Pvt. Jon Lybarger, son of Mr. and Mrs. Courtland Lybarger, 1525 Primrose avenue, has arrived home from Fort Myer, Va., and is visiting his parents and friends for ten days before reporting to the Army base.

Auxiliary Police Guard Homes in Flooded Area

Auxiliary police of Granite City and Madison aided in patrolling the flooded State Park Place residential area Monday night. Granite City members were on duty during the evening, and Madison volunteers reported at midnight, some remaining until 3 a. m. and others until 8 a. m. Tuesday.

Local assistance was sought to prevent possible looting of evacuated homes. A number of houses in the area were flooded, with the residents moving temporarily to the State Park school building.

Survey Still Essential To Coordinate Future Airport With Local Planning

Mayor Davis' efforts to keep the local airport issue alive are soundly based and merit active support throughout the Illinois Metropolitan Area. The Madison county airport committee's conclusion that a major airport could not and should not be supported by local taxes probably is correct. But it is still imperative that a preliminary survey be made to ensure that a future airport will conform to this area's needs and not interfere with other proposed projects.

The issue can be simply stated. There is general agreement that another major base must be established; Lambert Field is hemmed in, and its air traffic is growing each year. It also is generally agreed that an airport with enough land to become a second major site should be in the Madison-St. Clair counties region, due to the need for ample acreage and for adequate separation from Lambert's air lanes.

Unless local officials and communities "get in on the act," they will find site selection and planning being done here by an outside group, without full consideration of local problems, conditions and plans. To prevent this fact of the type resulting from a preliminary airport study are needed—and soon. No concrete local steps can be taken without this as a basis.

Enough land is available for both a large airport and related industrial sites, but this will not remain true forever. Airport financing is a problem but not the current issue. If an airport is to be coordinated with the growth and future of the Illinois Metropolitan Area, the initial survey must be made and the \$20,000 survey cost must be raised in some way. If this full amount is not provided by the cities, counties and Chambers of Commerce of the two counties, other sources must be found.

Scholastic Attainments Deserving Of Recognition

Public recognition of Madison high school's members of the National Honor Society at a Madison Rotary luncheon calls attention to the key product of the educational system — scholastic achievement.

In a world rapidly becoming more complex and competitive, study and mastery of traditional and new courses will become more and more essential. This could be encouraged by service clubs honoring the outstanding scholars of all local schools on a regular basis.

Youth Legislature Valuable For Encouraging Interest In Government

In a nation ruled by its citizens, elected legislators form an all-important group responsible for the effective functioning of government. It was a rare privilege and a valuable experience for 20 local youngsters and representatives of other YMCAs to occupy temporarily the chairs and roles of Illinois' governing body.

The experience was helpful because future leaders emerge from groups such as these. The importance of young people—and older persons as well—taking interest in the governmental processes cannot be overemphasized.

This year's youth and government program at Springfield was of particular interest to Quad-Cityans because of Warren Nash's designation as "youth governor." We applaud the selection as merited, and congratulate the sponsoring YMCAs for contributing materially to the cause of better government by encouraging increased participation.

Gambling An Irresistible Lure To Underworld

Gangster infiltration of New York's legalized bingo indicates that the Illinois legislature should disregard its House Constitutional Amendments Committee's recommendation for bingo by "charitable, religious, educational and fraternal groups." Sponsors say that what happened in New York could not happen here. And yet it was only this spring that hoodlum operation of supposedly charitable bingo games in nearby St. Clair county was revealed. Whether conducted legally or illegally, it seems probable that when gambling becomes generally accepted it also becomes too attractive for the underworld to resist its lure.

"Women who insist on wearing the pants frequently find some other woman wearing the mink."—Mason City Banner Times.

Training Courses Aiding Hundreds Of Local Residents

Training courses have been in the news frequently of late, and the wide variety being conducted here is helping to enrich the lives of Quad-Cityans. Self-improvement is a worthwhile and popular pastime, and we hope for even more expanded programs in the coming years.

A leading example is Southern Illinois University's in-plant training, which is teaching industrial personnel such widely divergent subjects as management techniques, report writing, psychology, logic and creative literature. The literature course has no direct application to the employees' work but is regarded as valuable in affording historical comparisons with modern trends and concepts. In all, nearly 1000 persons are enrolled in the industrial and technical program in the area served by SIU's Southwestern Illinois Campus.

Other recent classes have included Red Cross first-aid instruction for leaders of Girl Scout troops and civil defense courses in emergency procedures and radioactivity detection.

An informed citizenry is essential in a democracy. It is apparent that much is being done to keep local citizens well informed in vocational, safety and cultural fields.

Master Drainage Proposal Is The Only Answer To City's Latest Flood

Once again Granite Cityans are bailing themselves out after a heavy rain. And, once again, there has been extensive property damage, costly travel delays and inconvenience, even boating in the streets.

But all this can be changed—and soon. The comprehensive drainage and sanitary sewer report, scheduled for release later this month, provides the method. Public support can do the rest.

It will be a costly project since its ultimate purpose is three-fold: it will take care of drainage problems in every section of the city; it also will separate sanitary disposal and extend those facilities into each section of town; and it will pave the way for compliance with federal insistence on pollution treatment before the flow enters the Mississippi river.

Not only will this program relieve conditions such as were experienced again last weekend, but it will put Granite City in the forefront in the stiff competition with other communities to attract industry, business and new citizens.

We can think of no better argument for strong public support of the proposal when the time comes—and it should not be long now.

Civil War Cannon Being Readied For Armed Forces Day

Final touches are being placed on a restored Civil War cannon which is to be a feature attraction during the May 20 "open house" at the Granite City Engineer Depot for the observance of Armed Forces Day.

The cannon, obtained from Jefferson Barracks, is being refurbished by depot personnel aided by the Daughters of Union Veterans and is to be ready for firing on the morning of Armed Forces Day.

Community-wide invitation for Quad-Cityans to view the firing as well as inspect the depot and take part in the day's activities is being extended by Col. Jack C. Jeffrey, depot commander.

The observance is to start at 9 a.m. with a short program on the parade field, followed by the ceremonial firing of the restored, 100-year-old cannon. Taking part in the ceremony will be the depot house guard and drum and bugle corps.

Following the parade field program, visitors will be given bus tours of the depot, largest of its kind in the United States. They will visit the headquarters, warehouses, maintenance shops and troop mess halls and barracks.

Also available will be the viewing of athletic contests — pushball, softball, horseshoe pitching and tug-of-war. Children will be able to participate in pushball contests, potato races, three-legged races and other sports.

Another highlight of the day will be military demonstrations showing a bomb disposal squad and a firing squad in action; and there will be displays of modern engineer equipment.

Exhibits will be set up in the service club showing depot personnel's hobbies. Boy Scouts are to be on hand to sell pop corn and lemonade, and there will be mobile snack bars in various areas.

11,162 Venice Bridge Daily Traffic In April

McKinley Bridge traffic totaled 334,875 in April for an 11,162 daily average—second highest average in the 1960-61 fiscal year but a drop of 0.7% from the previous April.

A monthly report by Bridge Manager Henry McMullen reveals that 79,129 vehicles used the bridge during the week of April 1-7, 78,822 on April 8-14, 78,127 on April 15-21, 80,896 on April 22-28 and 77,301 on the last two days of the month, April 29 and 30.

Total for the bridge year beginning last Oct. 1 is 2,991,433. A final total of about 4,000,000 is anticipated.

The bridge was purchased by the city of Venice Nov. 21, 1958, and traffic since then has reached 9,541,687. The rate is expected to increase after completion of an extensive remodeling program, currently scheduled for late summer.

The latest monthly tally of 334,875 compares with 337,212 in April 1960 and 324,554 in April 1959.

GC Kiwanis Club Sees Color Slides On Hawaii

Ray Horn, operator of a local auto body repair shop, showed color slides of a trip to Hawaii at the Granite City Kiwanis Club meeting Monday night at the Elks Club.

Horn and his wife made the trip last November. He narrated slides showing customs, crops and scenes of Honolulu and Pearl Harbor. Twenty club members were present.

Infant And Woman Hurt In Separate Mishaps

An infant who fell and a woman who caught two fingers in a washing machine wringer were given emergency care this week at St. Elizabeth Hospital.

The infant, Debra Burnside, 18-month-old daughter of Mr. and Mrs. Robert Burnside, 2113 Buxton avenue, required six stitches Monday to close a cut

to her forehead, suffered in a fall against a bed. Mrs. Ada French, 73, of 2432 Edison avenue, was treated Tuesday morning for cuts and severe bruises to her fingers on her right hand. Your stitches were taken.

2 Concerts By GCHS Band During 5-Day Texas Tour

The annual tour by the Granite City high school band will have a southern destination this year, it was announced today. Major stops in a five-day journey beginning next Tuesday evening will be Houston and Galveston, Tex.

Participating will be 90 band students and about 20 adults, including Band Director and Mrs. Louis E. Meek. Parents of some of the musicians will aid the Meeks in directing the week's activities.

The initial trip to Houston, will be made on three private cars of a passenger train. Four buses will take the group on the remainder of the tour, which will end in Granite City Sunday morning, May 21.

First performance during the trip will be an hour-long concert starting at 1 p.m. Thursday, May 18, at LeMar high school in Houston. This will climax a large Music and Arts Festival scheduled in that city.

The same day's itinerary also features an educational tour, including a visit to a former battleship, the San Jacinto.

On Friday, May 19, the band members will present a concert at 10:30 a.m. at Ball high school in Galveston and then will go swimming in the Gulf of Mexico. Sightseeing also is planned for the tour.

All Rural Taverns Obtain New Licenses

All 130 taverns and private clubs known to be operating in unincorporated areas of Madison county have obtained their 1961 county retail liquor licenses. It was announced this week at Edwardsville.

The annual \$300 license fee became due Jan. 1, and over 30 were delinquent last month, and a crackdown was ordered by County Liquor Commissioner Gus Haller.

In 1960 a total of 154 county licenses were issued, but there were a number of duplications where places changed hands during the year and some of the establishments have gone out of business, according to information obtained by the liquor board.

Applications are anticipated for three county liquor permits for Fairmont race track as the racing season nears.

Boy Scout Troop Formed At Belleme Assembly

Rev. William Sipes, pastor of the Belleme Assembly of God Church, reports that Watson Mercer has been appointed in situational representative for the newly-organized Boy Scout

Troop 146 as a result of a meeting Tuesday at the church. Chairman will be Gene Thomas, committeeman Vernon Smith, scoutmaster Ed Cash and assistant scoutmaster, Raymond Smith. Dan Brown, district executive, showed a film, "What Is

1109 JOHNSON ROAD ONE-DAY SERVICE GL. 2-8515 - TR. 7-5559

THE HEAD JANITOR at the Washington grade school since it was built 35 years ago, has asked the board to cut his pay. Physically able to work, but reluctant to accept full responsibility as he did in his younger days, he asked to exchange places with his assistant.

Ordinances giving salary hikes to firemen, policemen and the city inspector were adopted Thursday night at a special city council meeting.

Firemen and policemen will receive a \$6 boost, raising the fire chief's salary to \$121 and \$140. The fire chief's salary was increased to \$150 and the police chief will receive \$125.

The city inspector will get \$80 a month, a \$10 raise.

Mayor Dr. J. E. Lee, accompanied by Judge R. W. Griffith, Police Commissioner Walter E. Howden, are in Springfield today to persuade the highway department to build a new bridge across the Illinois River.

The department opposes the department's plan to build a new bridge across the Illinois River.

State Capitol NEWS

All non-vaccinated persons are urged by the Illinois Department of Public Health to avail themselves of the protection afforded by polio vaccine.

Live virus will not be available this year, according to Dr. L. T. Fetherree. The safety and effectiveness of the "killed virus" vaccine has been demonstrated, and no better results can be expected of it or any vaccine unless it is fully used by the non-vaccinated population, he added.

A booster dose of polio vaccine may be recommended for individuals who received their last injection of primary immunization a year ago, Dr. Fetherree stated.

The number of persons in the state still not immunized or not completely immunized, is sufficient to permit polio to strike in alarming proportions, he warned.

"There is little point in developing preventives for disease if they are not used to full individual and public protection," Dr. Fetherree said.

The Illinois State Fair Advisory Board has recommended continuance of rental of fair grounds facilities throughout the year to legitimate business enterprises. Revenue from rentals during 1950, exclusive of the state fair, amounted to \$247,594, according to fair manager Franklin H. Rust. Buildings and facilities were also provided for charitable and non-profit public organizations without charge during the year.

The 11th annual edition of the popular "Illinois Calendar of Events" is available for distribution, Carl A. Bertsch, supervisor of the Illinois Information Service, announces.

The 20-page booklet lists information about community fairs, home shows, festivals, summer theatres, regattas and other special events scheduled in Illinois during the remainder of the year.

Non-residents of Illinois may obtain the booklet by writing to Illinois Information Service, State Capitol, Springfield.

Traffic deaths in Illinois during April totaled 139, according to provisional reports compiled by the Division of Highways and the State Highway Police.

This is an increase of 30 fatalities over March. The provisional total of motor vehicle traffic deaths in the state for the first four months of 1951 is 506, a reduction of 4.5% from the average of 530 deaths during the first four months of each of the past five years.

Bills appropriating \$195 million to the University of Illinois Southern Illinois University and the four state teachers colleges will be introduced in the Illinois General Assembly this week, Gov. Otto Kerner said. The money will come from the Tri-Universities Bond Issue approved by Illinois voters at the general election on Nov. 8, 1950. The bills appropriate money for major construction and land acquisition for the University of Illinois, for the Southern Illinois University and for the four teachers colleges at DeKalb, Macomb, Charleston and Normal.

Ralph S. Bradley, state director of agriculture, has revealed that the state has appealed to the U. S. Secretary of Agriculture Orville Freeman to have the Federal Meat Inspection law amended to include Illinois-inspected meat.

Bradley said many plants in the state which have state inspection exclusively are prevented from selling their products to the Surplus Commodities Corporation for local school lunch programs or to federal institutions located in Illinois.

The Illinois agriculture chief pointed out that Illinois' Meat and Poultry Inspection Act, which went into effect last July, now is "comparable to federal meat inspection" and the rules and regulations governing the law are equal to federal standards.

Bradley said that Illinois has more than 650 meat and poultry processing plants in the state that would be affected by the change in the federal regulations.

SIDELIGHTS from SPRINGFIELD

By Rep. PAUL SIMON

What laws should Illinois have on drinking? What laws should it have on obscene literature? What laws should Illinois have on gambling? What laws should Illinois have on divorce? All of these questions involve something fundamental that many citizens misunderstand: the relationship between laws and morality.

There is a relationship between what the law tells us we can or cannot do, and what our conscience tells us we should do or should not do.

But citizens cannot and must not expect the law, by itself, to elevate public conduct. The law with strong public opinion behind it, can help—but even here it is only limited. The law, without at least a portion of public opinion supporting it, is powerless.

Moses faced this same problem centuries ago on the matter of divorce. He personally opposed divorce, but recognized that public conduct and public opinion did not maintain the same standards which he maintained in his personal life. So Moses granted divorce.

In the matter of obscene literature, Illinois has strong laws against it. But in any city or community where there is no strong sentiment against obscene literature, the law is unused.

After having studied the laws of the state, I doubt that there is much the legislature can do to eliminate this blot from our public scene. The laws are strong enough, if the public were to use them.

What a person believes is right or wrong should not necessarily be part of the law. If this belief runs counter to public opinion generally, it probably will do no good to pass a law.

A good example is the bingo question, now before the legislature.

My personal opinion is that it would be a mistake to legalize it. New York's recent experience, where they legalized it and the hoodlums moved in to run it, might be the same experience Illinois would have. In addition, studies show conclusively that the bingo player is generally the person who can least afford to be throwing money away.

In some counties in the state, public opinion strongly favors having bingo games, and in those counties the fact that it is outlawed does not seem to make much difference. The games are played there anyway.

If state-wide sentiment were strongly in favor of legalized bingo, I might feel that the best way to control it would be some form of legalization. Fortunately, I don't think we've come to that point yet.

All of this means that in voting on measures involving moral conduct, the legislator must weigh not only his personal convictions of right and wrong, but must also sense the public mood. Highways engineers have this same problem. They may know that 35 miles per hour is the safest speed in a certain traffic

Swing Creates Hazard

A rope swing on which boys were swinging over the sidewalk at the 2300 block of East 23rd street resulted in a complaint to Granite City police about 9 p.m. Tuesday that the swing was creating a hazard. The boys were advised to remove the rope from a tree.

Welcome Wagon Club Organizes Tuesday

The Welcome Wagon Club got rolling Tuesday night with an organization meeting at the home of Mrs. Joan Wischnick, 3201 Willow street.

Mrs. Wischnick, along with Mrs. Elizabeth Stuydhar, national Welcome Wagon hostesses who call on new newcomers and brides-to-be in the community, were on hand to aid in making plans.

Mrs. Elizabeth Cole, Collinsville hostess, talked on the group's purpose and assisted with the program. Eight members were enrolled.

They include Mrs. Hazel Brink, Mrs. Ruth Belanger, Mrs. Carol Wynn, Mrs. Betty Hook, Mrs. Marianna Roney and Mrs. Charlotte Vanyo, along with the two local hostesses.

The group voted to make arrangements for a millinery classes, and participation in golf, health classes, sewing, and a local charitable project.

The first meeting will be made at the first official meeting on June 27 at the YMCA. Harlan Dobry, executive secretary of the Tri-Cities Chamber of Commerce, will be guest speaker.

During the Monday meeting, Mrs. Stuydhar was in charge of the games and prizes went to Mrs. Brink, Mrs. Belanger, Mrs. Wynn and Mrs. Cole. Refreshments were served by Mrs. Wischnick, who presided at the session.

Optimists First To Use Big Top's New 300 Room

The Noonday Optimist Club became the first group to use the 300 Room of Big Top Bowl, which opened today, marking the anniversary of the establishment.

The room, which contains more than 2500 square feet of floor space, was created to fill a need in accommodating large community functions, Kenneth Gray, promotional manager, explained.

More than 300 persons may be served in the room, but the name was based on calling attention to bowlers who roll 300 score games. Pictures of the bowlers will be mounted on the paneled walls, Gray said. The room also will be made available to organizations.

Speeding Ticket

An arrest ticket was issued Tuesday to Abel Valencia, 36, of 1516 Joy avenue, who was charged with speeding at 30th and Iowa streets. He posted his driver's license as bond.
